## ARIZONA.

### CAMP GRANT RESERVATION.

DEPARTMENT OF THE INTERIOR,  
BOARD OF INDIAN COMMISSIONERS,  
*Camp Grant, Ariz., September 18, 1871.*

SIR: The boundaries of the reservation selected with the approval of the President and Secretary of the Interior and Secretary of War at Camp Grant, Ariz., within the limits of which all peaceably disposed Arivapa, Pinal, and other roving bands of Apache Indians are hereafter to be protected, fed, and otherwise provided, will be as follows:

Bounded north by the Gila River; west by a line 10 miles from and parallel to the general course of the San Pedro River; south by a line at right angles to the western boundary, crossing the San Pedro 10 miles from Camp Grant; east by a line at right angles to the southern boundary, touching the western base of Mount Turnbull, terminating at the Gila River, the northern boundary.

Citizens who have built or are now working ranches within the above-described boundaries will be allowed to remain to secure their crops and care for their property until further orders from Washington, D. C., provided they conform to the laws prescribed by Congress for the government of Indian reservations. A copy of the laws and regulations governing this as well as all other Indian reservations will be forwarded to you on my return to Washington.

Very respectfully, your obedient servant,

VINCENT COLYER, *Commissioner.*

Lieut. ROYAL E. WHITMAN, U. S. A.,  
*In charge Indian Reservation, Camp Grant, Ariz.*

(For other correspondence relating to this reserve and Executive order of November 9, 1871, and also for order restoring same to the public domain, see "White Mountain Reserve.")

### CAMP McDOWELL RESERVATION.

WHITE HOUSE, *September 15, 1903.*

It is hereby ordered that so much of the land of the Camp McDowell abandoned military reservation as may not have been legally settled upon nor have valid claims attaching thereto under

the provisions of the act of Congress approved August 23, 1894 (U. S. Statutes at Large, vol. 28, p. 491), be, and the same is hereby, set aside and reserved for the use and occupancy of such Mojave-Apache Indians as are now living thereon or in the vicinity and such other Indians as the Secretary of the Interior may hereafter deem necessary to place thereon.

The lands so withdrawn and reserved will include all tracts to which valid rights have not attached under the provisions of the said act of Congress, and in addition thereto all those tracts upon the reservation containing Government improvements which were reserved from settlement by the said act of Congress, and which consist of (1) the immediate site of the old camp, containing buildings and a good artesian well, (2) the post garden, (3) the U. S. Government farm, (4) the lands lying north of the old camp and embracing or containing the old Government irrigation ditch, and (5) the target practice grounds.

THEODORE ROOSEVELT.

### CAMP VERDE RESERVATION.

DEPARTMENT OF THE INTERIOR,  
BOARD OF INDIAN COMMISSIONERS,  
*Camp Verde, Ariz., October 3, 1871.*

GENERAL: Having personally inspected the country and condition of the Apache Mohave Indians on the Verde River above the post, and finding the Indians to be in considerable numbers, destitute and in a starving condition, having no boundaries defining their homes, their country overrun by hunters who kill their game, and not infrequently kill the Indians—gold prospectors and others, none of whom locate in this section of country—agreeably to the powers conferred upon me by the President, and communicated to me in the letter of the Secretary of the Interior, dated July 21, 1871, and the orders of the Secretary of War of July 18 and 31, 1871, and in harmony with the humane action of Congress in providing funds for this purpose, I have concluded to declare all that portion of country adjoining on the northwest side of and above the military reservation of this post on the Verde River for a distance of 10 miles on both sides of the river, to the point where the old wagon road to New Mexico crosses the Verde, supposed to be a distance up the river of about 45 miles, to be an Indian reservation, within the limits of which all peaceably disposed Apache Mohave Indians are to be protected, fed, and otherwise cared for, and the laws of Congress and Executive orders relating to the government of Indian reservations shall have full power and force within the boundaries of the same, unless otherwise ordered by Congress or the President.

Very respectfully, your obedient servant,

VINCENT COLYER, *Commissioner.*

Bvt. Maj. Gen. C. GROVER,  
*Commanding Camp, Verde, Ariz.*

(For further correspondence relating to this reservation and Executive order of November 9, 1871, see "White Mountain Reservation.")

EXECUTIVE MANSION, *April 23, 1875.*

All orders establishing and setting apart the Camp Verde Indian Reservation, in the Territory of Arizona, described as follows: "All that portion of country adjoining on the northwest side of and above the military reservation of this [Camp Verde] post, on the Verde River, for a distance of 10 miles on both sides of the river to the point where the old wagon road to New Mexico crosses the Verde, supposed to be a distance up the river of about forty-five miles," are hereby revoked and annulled; and the said described tract of country is hereby restored to the public domain.

U. S. GRANT.

### CHIRICAHUA RESERVATION.

EXECUTIVE MANSION, *December 14, 1872.*

It is hereby ordered that the following tract of country be, and the same is hereby, withheld from sale and set apart as a reservation for certain Apache Indians in the Territory of Arizona, to be known as the "Chiricahua Indian Reservation," viz:

It is also hereby ordered that the reservation heretofore set apart for certain Apache Indians in the said Territory, known as the "Camp Grant Indian Reservation," be, and the same is hereby, restored to the public domain.

It is also ordered that the following tract of country be, and the same is hereby, withheld from sale and added to the White Mountain Indian Reservation in said Territory, which addition shall hereafter be known as the "San Carlos division of the White Mountain Indian Reservation," viz:

Commencing at the southeast corner of the White Mountain Reservation as now established and running thence south to a line 15 miles south of and parallel to the Gila River; thence west along said line to a point due south of the southwest corner of the present White Mountain Reservation; thence north to the said southwest corner of the aforesaid White Mountain Reservation, and thence along the southern boundary of the same to the place of beginning, the said addition to be known as the "San Carlos division of the White Mountain Reservation," which will make the entire boundary of the White Mountain Reserve as follows, viz:

Starting at the point of intersection of the boundary between New Mexico and Arizona with the south edge of the Black Mesa, and following the southern edge of the Black Mesa to a point due north of Sombrero or Plumoso Butte; thence due south to said Sombrero or Plumoso Butte; thence in the direction of the Piache Colorado to

EXECUTIVE MANSION, *November 16, 1874.*

It is hereby ordered that a tract of country embraced within the following-described boundaries, which covers and adds to the present reservation, as set apart by act of Congress approved March 3, 1865 (Stat. L., vol. 13, p. 559), and enlarged by Executive order dated November 22, 1873, viz:

### FORT APACHE RESERVATION.

ENGINEER'S OFFICE,

HEADQUARTERS MILITARY DIVISION OF THE PACIFIC,

*San Francisco, Cal., January 31, 1870.*

SIR: I respectfully forward the following description of the proposed Indian reservation in Arizona, the boundaries of the reservation to be as follows, as shown in red on the accompanying map: Starting at the point of intersection of the boundary between New Mexico and Arizona with the south edge of the Black Mesa, and following the southern edge of the Black Mesa to a point due north of Sombrero or Plumoso Butte; then in the direction of the Picache Colorado to the crest of the Apache Mountains, following said crest down the Salt River to Pinal Creek, and then up the Pinal Creek to the top of the Pinal Mountains; then following the crest of the Pinal Range, "the Cordilleras de la Gila," the "Almagra Mountains," and other mountains bordering the north bank of the Gila River, to the New Mexican boundary near Steeple Rock; then following said boundary north to its intersection with the south edge of the Black Mesa, the starting point.

H. M. ROBERT, *Major, Engineers.*

Gen. W. D. WHIPPLE,

*Adjutant General Military Division of the Pacific.*

DEPARTMENT OF THE INTERIOR,  
 BOARD OF INDIAN COMMISSIONERS,  
*Camp Apache, Arizona Territory, September 5, 1871.*

SIR: As the White Mountain region has been set apart by the War Department as an Indian reservation, and there are several bands of peaceably disposed Apaches, who have for many years lived in this country, who can not be removed without much suffering to themselves, risk of war, and expense to the Government, I have concluded to select the White Mountain Reservation, the boundaries of which were defined in letter of H. M. Robert, major of Engineers, dated headquarters Military Division of the Pacific, San Francisco, Cal., January 31, 1870, as one of the Indian reservations upon which the Apache Indians of Arizona may be collected, fed, clothed, and otherwise provided for and protected, agreeable to the power conferred upon me at the suggestion of the President by the honorable Secretary of the Interior, under date July 21, 1871, and supplementary orders July 31, 1871, copies of which are herewith inclosed.

Agreeable to your wish that I should name the articles and amount of provisions to be issued, I would suggest that 1 pound of beef and 1 pound of corn per capita be issued with salt daily, and sugar and coffee occasionally.

Very respectfully, your obedient servant,

VINCENT COLYER,  
*Commissioner.*

Lieut. Col. JOHN GREEN,  
*First Cavalry, U. S. A., Commanding Camp Apache,  
 Arizona Territory.*

BOARD OF INDIAN COMMISSIONERS,  
*Washington, D. C., November 7, 1871.*

SIR: Reservations for the roving Apache Indians of New Mexico and Arizona were selected under your instructions of 21st July, 1871, as follows:

\* \* \* \* \*

For the Coyoteros and Chilions of Arizona at Camp Apache, in White Mountain, Arizona.

For the Arrivapis and Pinals at Camp Grant, Ariz.

\* \* \* \* \*

A detailed description of the Camp Apache Reservation, which was established by Major General Thomas, will be found on file in the War Department.

I also requested, with the advice of General Crook and the several post commanders, that temporary asylums, where the Tontos, Huapais, and western band of Apache Mohaves might be protected and fed, should be established at Camp McDowell, Beal Spring, and Date Creek until such times as the Indians collected there could be removed to the above reservations.

Very respectfully, your obedient servant,

VINCENT COLYER.

Hon. C. DELANO,  
*Secretary of the Interior, Washington, D. C.*

DEPARTMENT OF THE INTERIOR,  
Washington, D. C., November 7, 1871.

SIR: I have the honor to transmit herewith a copy of a communication addressed to this department by the Hon. Vincent Colyer, one of the board of Indian peace commissioners, who recently visited Arizona, wherein he states his views in relation to the Apache Indians, and describes certain tracts of country in Arizona and New Mexico which, during his recent visit to said Indians, he has selected to be set apart as reservations for their use, as authorized to do by orders issued to him before visiting the Apaches.

I have the honor to recommend, in pursuance of the understanding arrived at in our conversation with the Secretary of War on the 6th instant, that the President issue an order authorizing said tracts of country described in Mr. Colyer's letter to be regarded as reservations for the settlement of Indians until it is otherwise ordered. \* \* \*

I would further suggest that the War Department will, for the present, select some suitable and discreet officer of the Army to act as Indian agent for any of the reservations in Arizona which may be occupied by the Indians under the order herein contemplated. Such agents will be superseded by persons hereafter appointed by this department, at such times as the President may hereafter deem proper.

Very respectfully, your obedient servant,

C. DELANO, *Secretary.*

The PRESIDENT.

These recommendations were approved by the President as follows:

EXECUTIVE MANSION,  
Washington, D. C., November 9, 1871.

Respectfully referred to the Secretary of War, who will take such action as may be necessary to carry out the recommendations of the Secretary of the Interior.

U. S. GRANT.

And indorsed by General Sherman thus:

HEADQUARTERS ARMY OF THE UNITED STATES,  
Washington, D. C., November 9, 1871.

GENERAL: I now inclose you copies of a correspondence between the Secretary of the Interior and War Department on the subject of the policy that is to prevail in Arizona with the Apache Indians. The Secretary of War wishes you to give all the necessary orders to carry into full effect this policy, which is the same that prevails in the Indian country generally, viz, to fix and determine (usually with the assent, expressed or implied, of the Indians concerned) the reservation within which they may live and be protected by all branches of the Executive Government; but if they wander outside they at once become objects of suspicion, liable to be attacked by the troops as hostile. The three reservations referred to in these papers, and more particularly defined in the accompanying map, seem far enough removed from the white settlements to avoid the dangers of collision of interest. At all events these Indians must have a chance to

escape war, and the most natural way is to assign them homes and to compel them to remain thereon. While they remain on such reservations there is an implied condition that they should not be permitted to starve, and our experience is that the Indian Bureau is rarely supplied with the necessary money to provide food, in which event you may authorize the commissary department to provide for them, being careful to confine issues only to those acting in good faith and only for absolute wants.

The commanding officer of the nearest military post will be the proper person to act as the Indian agent until the regular agents come provided with the necessary authority and funds to relieve them; but you may yourself or allow General Crook to appoint these temporary agents regardless of rank.

The citizens of Arizona should be publicly informed of these events, and that the military have the command of the President to protect these Indians on their reservations, and that under no pretense must they invade them, except under the leadership of the commanding officer having charge of them.

The boundaries of these reservations should also be clearly defined, and any changes in them suggested by experience should be reported, to the end that they may be modified or changed by the highest authority.

After general notice to Indians and whites of this policy, General Crook may feel assured that whatever measures of severity he may adopt to reduce these Apaches to a peaceful and subordinate condition will be approved by the War Department and the President.

I am your obedient servant,

W. T. SHERMAN, *General.*

Gen. J. M. SCHOFIELD,

*Commanding Military Division Pacific.*

---

EXECUTIVE MANSION, *July 21, 1874.*

It is hereby ordered that all that portion of the White Mountain Indian Reservation in Arizona Territory lying east of 109° 30' west longitude be restored to the public domain.

U. S. GRANT.

---

EXECUTIVE MANSION, *April 27, 1876.*

It is hereby ordered that all that portion of the White Mountain Indian Reservation in Arizona Territory lying west of the following-described line, viz, Commencing at the northwest corner of the present reserve, a point at the southern edge of the Black Mesas, due north of Sombrero or Plumoso Butte; thence due south to said Sombrero or Plumoso Butte; thence southeastwardly to Chromo Peak; thence in a southerly direction to the mouth of the San Pedro River; thence due south to the southern boundary of the reservation, be, and the same hereby is, restored to the public domain.

U. S. GRANT.

EXECUTIVE MANSION, *January 26, 1877.*

It is hereby ordered that all that portion of the White Mountain Indian Reservation in Arizona Territory lying within the following-described boundaries, viz: Commencing at a point known as corner I of survey made by Lieut. E. D. Thomas, Fifth Cavalry, in March, 1876, situated northeast of, and 313 chains from, flagstaff of Camp Apache, magnetic variation  $13^{\circ} 48'$  east; thence south  $68^{\circ} 34'$  west 360 chains to corner II, post in monument of stones, variation  $13^{\circ} 45'$  east; thence south  $7^{\circ} 5'$  west 240 chains to corner III, post in monument of stones, variation  $13^{\circ} 43'$  east; thence north  $68^{\circ} 34'$  east 360 chains to corner IV, post in monument of stones, magnetic variation  $13^{\circ} 42'$  east; thence north  $7^{\circ} 15'$  east 240 chains to place of beginning, comprising 7,421.14 acres, be restored to the public domain.

U. S. GRANT.

(See act of Congress approved June 7, 1897, 30 Stats., p. 64).

---

THE WHITE HOUSE, *February 17, 1912.*

Under authority of the act of Congress of June 4, 1897 (30 Stat., 11 at 34 and 36), and upon recommendation of the Secretary of Agriculture, it is hereby ordered that on and after March 1, 1912, the boundaries of the Sitgreaves National Forest, Arizona, proclaimed March 2, 1909, and modified by subsequent proclamation of August 24, 1910, be further modified by excluding therefrom all that part of the White Mountain Apache Indian Reservation included in the said Sitgreaves National Forest by the said proclamation of March 2, 1909.

The purpose of this exclusion is to restore the White Mountain Apache Indian Reservation in all respects to the status existing prior to the said proclamation of March 2, 1909, as though the inclusion of the lands within the Sitgreaves National Forest had not been ordered, and said Indian reservation is hereby fully re-created and restored to that status.

DEPARTMENT OF THE INTERIOR,  
BOARD OF INDIAN COMMISSIONERS,  
*Camp Apache, Ariz., September 5, 1871.*

SIR: As the White Mountain region has been set apart by the War Department as an Indian reservation, and there are several bands of peaceably disposed Apaches, who have for many years lived in this country, who can not be removed without much suffering to themselves, risk of war and expense to the Government, I have concluded to select the White Mountain Reservation, the boundaries of which were defined in letter of H. M. Robert, major of Engineers, dated Headquarters Military Division of the Pacific, San Francisco, Cal.,

January 31, 1870, as one of the Indian reservations upon which the Apache Indians of Arizona may be collected, fed, clothed, and otherwise provided for and protected, agreeable to the power conferred upon me at the suggestion of the President by the honorable Secretary of the Interior, under date July 21, 1871, and supplementary orders July 31, 1871, copies of which are herewith inclosed.

Agreeable to your wish that I should name the articles and amount of provisions to be issued, I would suggest that 1 pound of beef and 1 pound of corn per capita be issued with salt daily, and sugar and coffee occasionally.

Very respectfully, your obedient servant,

VINCENT COLYER, *Commissioner.*

Lieut. Col. JOHN GREEN,  
*First Cavalry, U. S. A.,  
Commanding Camp Apache, Ariz.*

---

DEPARTMENT OF THE INTERIOR,  
BOARD OF INDIAN COMMISSIONERS,  
*Washington, D. C., November 7, 1871.*

SIR: Reservations for the roving Apache Indians of New Mexico and Arizona were selected under your instructions of 21st July, 1871, as follows:

For the Mimbres and Coyoteros, at Tularosa Valley, in New Mexico. (See accompanying paper A.)

For the Coyoteros and Chiloccos of Arizona, at Camp Apache, in White Mountains, Arizona. (See Appendix B.)

For the Arrivapis and Pinals, at Camp Grant, Arizona. (See Appendix C and accompanying map.)

For the Mohave Apaches, at Camp Verde, Arizona. (See Appendix D.)

A detailed description of the Camp Apache Reservation, which was established by Major General Thomas, will be found on file in the War Department.

I also requested, with the advice of General Crook and the several post commanders, that temporary asylums, where the Tontos, Hualapais, and Western Band of Apache Mohaves might be protected and fed, should be established at Camp McDowell, Beal Spring, and Date Creek until such times as the Indians collected there could be removed to the above reservations.

Very respectfully, etc.,

VINCENT COLYER.

Hon. C. DELANO,  
*Secretary of the Interior, Washington, D. C.*

---

DEPARTMENT OF THE INTERIOR,  
*Washington, D. C., November 7, 1871.*

SIR: I have the honor to transmit herewith a copy of a communication addressed to this department by the Hon. Vincent Colyer, one of the board of Indian peace commissioners, who recently visited Arizona, wherein he states his views in relation to the Apache In-

dians, and describes certain tracts of country in Arizona and New Mexico which, during his recent visit to said Indians, he has selected to be set apart as reservations for their use, as authorized to do by orders issued to him before visiting the Apaches.

I have the honor to recommend, in pursuance of the understanding arrived at in our conversation with the Secretary of War on the 6th instant, that the President issue an order authorizing said tracts of country described in Mr. Colyer's letter to be regarded as reservations for the settlement of Indians until it is otherwise ordered. \* \* \*

I would further suggest that the War Department will, for the present, select some suitable and discreet officer of the Army to act as Indian agent for any of the reservations in Arizona which may be occupied by the Indians under the order herein contemplated. Such agents will be superseded by persons hereafter appointed by this department at such times as the President may hereafter deem proper.

Very respectfully, your obedient servant,

C. DELANO, *Secretary.*

The PRESIDENT.

These recommendations were approved by the President as follows:

EXECUTIVE MANSION,  
*Washington, D. C., November 9, 1871.*

Respectfully referred to the Secretary of War, who will take such action as may be necessary to carry out the recommendations of the Secretary of the Interior.

U. S. GRANT.

And indorsed by General Sherman thus:

HEADQUARTERS ARMY OF THE UNITED STATES,  
*Washington, D. C., November 9, 1871.*

GENERAL: I now inclose you copies of a correspondence between the Secretary of the Interior and War Department on the subject of the policy that is to prevail in Arizona with the Apache Indians. The Secretary of War wishes you to give all the necessary orders to carry into full effect this policy, which is the same that prevails in the Indian country generally, viz, to fix and determine (usually with the assent expressed or implied of the Indians concerned) the reservation within which they may live and be protected by all branches of the Executive Government; but if they wander outside they at once become objects of suspicion, liable to be attacked by the troops as hostile. The three reservations referred to in these papers, and more particularly defined in the accompanying map, seem far enough removed from the white settlements to avoid the dangers of collision of interest. At all events, these Indians must have a chance to escape war, and the most natural way is to assign them homes and to compel them to remain thereon. While they remain on such reservations there is an implied condition that they should not be permitted to starve, and our experience is that the Indian Bureau is rarely supplied with the necessary money to provide food, in which

event you may authorize the commissary department to provide for them, being careful to confine issues only to those acting in good faith, and only for absolute wants.

The commanding officer of the nearest military post will be the proper person to act as the Indian agent until the regular agents come provided with the necessary authority and funds to relieve them; but you may yourself, or allow General Crook to, appoint these temporary agents regardless of rank.

The citizens of Arizona should be publicly informed of these events, and that the military have the command of the President to protect these Indians on their reservations, and that under no pretense must they invade them, except under the leadership of the commanding officer having charge of them.

The boundaries of these reservations should also be clearly defined, and any changes in them suggested by experience should be reported, to the end that they may be modified or changed by the highest authority.

After general notice to Indians and whites of this policy, General Crook may feel assured that whatever measures of severity he may adopt to reduce these Apaches to a peaceful and subordinate condition will be approved by the War Department and the President.

I am, your obedient servant,

W. T. SHERMAN, *General*.

Gen. J. M. SCHOFIELD,

*Commanding Military Division Pacific.*

### KLAMATH RIVER RESERVATION.

[Incorporated in and made part of Hoopa Valley Reservation.]

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
*November 10, 1855.*

SIR: Referring to your communication of the 8th of August last to the Acting Commissioner of Indian Affairs, advising him of the approval by the President of the United States of the recommendation of the department that it was expedient to expend the money

appropriated on the 3d of March last for removing the Indians in California to two additional military reservations, I have the honor now to make the following report:

On the 15th of August last the acting commissioner inclosed a copy of your letter of the 8th of that month to the superintendent of Indian affairs in California, with directions to select these reservations from such "tracts of land adapted, as to soil, climate, water privileges, and timber, to the comfortable and permanent accommodation of the Indians, which tracts should be unencumbered by old Spanish grants or claims of recent white settlers," limiting the dimensions of the reserves to within 25,000 acres each, and to report to this office a description of their geographical position in relation to streams, mountain ranges, and county lines, etc., and indicating the same upon a map. A copy of that letter is herewith, marked "A." By the last mail from California I have received from Superintendent Thomas I. Henley a report upon this subject, dated the 4th ultimo (a copy of which is herewith, marked "B"), by which it appears he recommends as one of the reservations aforesaid "a strip of territory 1 mile in width on each side of the (Klamath) river for a distance of 20 miles. The superintendent remarks upon the character of the country selected, and incloses an extract from a report (also herewith, marked "C") to him of the 19th of June last, by Mr. S. G. Whipple, which contains in some detail a description of the country selected, habits and usages of the Indians, etc., but no map is furnished.

It will be observed from this report of the superintendent that he has deemed it important to continue the employ of an agent and to prepare for raising a crop in order to assure the Indians of the good faith of the Government and to preserve the peace of the country. Considering the great distance of this reservation from the seat of government and the length of time it necessarily requires to communicate with an agency at the Klamath, it is desirable that some definite action be taken, if practicable, before the sailing of the next steamer, to leave New York on the 20th instant.

I therefore beg leave to ask your attention to the subject, and if you shall be of the opinion, from the representations made by the superintendent in California and Mr. Whipple, that the selection at the mouth of the Klamath River is a judicious and proper one, that it be laid before the President of the United States for his approval, but with the provision, however, that upon a survey of the tract selected that a sufficient quantity be cut off from the upper end of the proposed reserve to bring it within the limitation of 25,000 acres, authorized by the act of 3d March last.

I also inclose herewith a copy of another letter from Superintendent Henley, of 4th ultimo (marked "D"), in which he states, in relation to the other reserve, that it is intended to locate it "between the headwaters of Russian River and Cape Mendocino." In reference to both of these proposed reserves, and as connected with the means to be used to maintain peaceable relations with the Indians, the superintendent is of opinion that it is of great importance to provide for crops, and that to do so an agent in each instance is necessary. As this last-named selection has not been defined by any specific boundaries, and no sufficient description is given as to soil,

climate, and suitableness for Indian purposes, to enable the department to determine the matter understandingly, of course nothing definite can now be done. But it may not be improper to consider the subject in connection with the general intent as to the particular locality in which it is proposed to make the location.

The reserve proposed on the Klamath River and Pacific coast does not appear from the map of the State of California to be very far removed from Cape Mendocino, or a point between that and Russian River; and as provision is made only for two reserves in the State, other than those already in operation, the question arises whether it should not be situated farther in the interior, or perhaps eastern part of the State, than the point referred to. The Noome Lacke Reserve is situated in one of the Sacramento valleys, at about the latitude of 40° north and 122° of longitude west, about the center of that portion of the State north of the port of San Francisco. As, therefore, the proposed Klamath Reserve being northwest from the Noome Lacke Reservation, would appear to be adapted to the convenient use of the Indians in that direction, the question is suggested whether the other reserve should not be located farther east and north, say on the tributaries of either Pitt or Feather Rivers. As in the case of the proposed reserve of the Klamath, I am desirous of obtaining your opinion and that of the President of the United States, with such decision as may be arrived at under the circumstances, in season to communicate the same by the next California mail, for the government of the action of Superintendent Henley.

Very respectfully, your obedient servant,

GEO. W. MANYPENNY,  
*Commissioner.*

HON. R. McCLELLAND,  
*Secretary of the Interior.*

---

DEPARTMENT OF THE INTERIOR,  
*Washington, D. C., November 12, 1855.*

SIR: I have the honor to submit herewith the report from the Commissioner of Indian Affairs of the 10th instant, and its accompanying papers, having relation to two of the reservations in California for Indian purposes, authorized by the act of 3d March last.

The precise limits of but one of the reservations, viz, a strip of territory commencing at the Pacific Ocean and extending 1 mile in width on each side of the Klamath River, are given, no sufficient data being furnished to justify any definite action on the other.

I recommend your approval of the proposed Klamath [River] Reservation, with the provision, however, that upon a survey of the tract a sufficient quantity be cut off from the upper end thereof to bring it within the limit of 25,000 acres authorized by law.

Respectfully, your obedient servant,

R. McCLELLAND, *Secretary.*

The PRESIDENT.

NOVEMBER 16, 1855.

Let the reservation be made as proposed.

FRANKLIN PIERCE.

## MENDOCINO RESERVATION.

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
*April 16, 1856.*

SIR: Referring to the report I had the honor to submit for your consideration on the 10th of November last relative to the establishment of a military reservation for the benefit of the Indians of northern California, upon both sides of the Klamath River, from its mouth the distance of 20 miles up the same; and to the remarks then made upon the subject of establishing a third similar reservation as proposed by the superintendent of Indian affairs in California, at Cape Mendocino, or at some point between that place and Russian River, or, as appeared to this office at that time more expedient, farther in the interior and easterly part of the State, I have now respectfully to call your attention again to the subject, and to submit for your consideration the following documents.

\* \* \* \* \*

From these documents it appears that the section between the Noyo River on the south and Bee-da-loé or Hale Creek on the north, extending from the coast on the west to the Coast Mountains, combines advantages which are not to be found in any of the other locations examined, reference being had to the purposes for which it is required and to the habits and necessities of the Indians.

\* \* \* \* \*

The tract intended for the reservation lies between the south bank of the Noyo River, so as to include that river, and a point 1 mile north of the mouth of the Hale or Bee-da-loé Creek, extending eastward from the coast for quantity so as to include the valleys beyond the first range of hills to the Coast Mountains, conforming to their shape. Its geographical position is in Mendocino County, about 170 miles from San Francisco, and 80 miles south of Cape Mendocino, 70 miles northwest of Clear Lake, and about 180 miles from Sacramento City.

It is proposed to embrace within the limits of the reservation 25,000 acres of land.

\* \* \* \* \*

If upon an examination of the subject you shall come to a similar conclusion, I have respectfully to request that the proposition may be laid before the President of the United States for his approval, and that the superintendent may be enabled to carry out with him, on his return to his post by the steamer of the 20th instant, such decision as may be made in the premises.

Very respectfully, your obedient servant,

GEORGE W. MANYPENNY,  
*Commissioner.*

Hon. R. McCLELLAND,  
*Secretary of the Interior.*

DEPARTMENT OF THE INTERIOR,  
*Washington, April 17, 1856.*

SIR: I have the honor to submit herewith a report from the Commissioner of Indian Affairs of the 16th instant and accompanying

papers in relation to the establishment of a military reserve of land for Indians in California, authorized by act of Congress of 3d of March, 1855.

The tract of country, containing about 25,000 acres, proposed to be selected is in Mendocino County, and fully described in the papers accompanying the commissioner's report.

Concurring with the commissioner in his views of the matter, I recommend your approval of the proposed reservation.

I am, sir, with great respect, your obedient servant,

R. McCLELLAND, *Secretary.*

The PRESIDENT.

[Indorsement on commissioner's report.]

MAY 22, 1856.

Let the proposed reservation within referred to be made as recommended in letter of Secretary of the Interior of April 17, 1856.

### MISSION RESERVATIONS.

DEPARTMENT OF THE INTERIOR,

*January 27, 1870.*

The PRESIDENT:

The accompanying papers are respectfully submitted to the President, with the request that the following lands in California be set apart as reservations for the Mission Indians in the southern portion of that State, being the San Pasqual and Pala Valleys, and recommended by the Commissioner of Indian Affairs, viz, township 12 and 13 south, of ranges 1 east and 1 west, of the San Bernardino meridian, and township 9 south, of ranges 1 and 2 west, of the San Bernardino meridian.

With great respect, your obedient servant,

J. D. COX, *Secretary.*

JANUARY 31, 1870.

Let the lands designated in the foregoing letter of the Secretary of the Interior be set apart as reservations for Indian purposes, as therein recommended.

U. S. GRANT.

DEPARTMENT OF THE INTERIOR,

OFFICE OF INDIAN AFFAIRS,

*Washington, D. C., February 13, 1871.*

SIR: I have the honor to call your attention to a report from this office, dated January 15, 1870, in which was inclosed a letter from J. B. McIntosh, brevet major-general, United States Army, and superintendent of Indian affairs for California, dated December 27,

1869, and report of Lieut. A. P. Greene, U. S. A., agent for Mission Indians in southern California, dated Los Angeles, Cal., December 16, 1869, recommending that San Pasqual and Pala Valleys in southern California be set apart as reservations for the Mission Indians in said State.

In my report above referred to I recommended that the following-described lands should be set apart for said reservations, viz: Townships 12 and 13 south, of ranges 1 east and 1 west, and township 9 south, of ranges 1 and 2 west, of the San Bernardino meridian, California.

My recommendation, meeting with the approval of the Secretary of the Interior, was forwarded to the President, who, on the 31st of January, 1870, ordered that the above-designated lands should be set apart as reservations for Indian purposes.

It appears from the papers transmitted herewith that the citizens of San Diego County protest against the order of the President setting apart said lands for Indian reservations; that the Indians are unanimously opposed to going on said reservations; that citizens have made valuable improvements thereon, and that there are but few Indians on the lands set apart as aforesaid; that recent gold discoveries have attracted a large immigration thither, and the opinion of the press, together with other evidence, would indicate that it would be for the best interests and welfare of the Indians, as well as others, that the order of the President setting apart said lands for Indian purposes should be rescinded.

In view of these facts I would therefore respectfully recommend that the order of the President be revoked and that the aforesaid reservations be again restored to the public domain.

Very respectfully, your obedient servant,

E. S. PARKER, *Commissioner.*

HON. C. DELANO,  
*Secretary of the Interior.*

[First indorsement.]

OFFICE OF INDIAN AFFAIRS,

### ROUND VALLEY (NOME CULT) RESERVATION.

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
November 18, 1858.

SIR: \* \* \* In accordance to your recommendation the Secretary of the Interior has directed that the entire Nome Cult Valley shall be retained as a reservation, and you are required immediately after the receipt of this letter to give public notice to that effect.

\* \* \* \* \*

Very respectfully, etc.,

J. W. DENVER, *Commissioner.*

THOMAS I. HENLEY, Esq.,  
*Superintendent, etc., San Francisco, Cal.*

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
January 6, 1860.

SIR: I have to acknowledge the receipt of your letter of the 31st ultimo, inclosing a diagram indicating the public surveys in Round Valley, California, together with accompanying papers pertaining to allegations respecting an Indian reservation in that valley; and in reply to your inquiry in relation to evidence of the existence of a reserve in that locality, I herewith inclose a copy of a letter from this office to late Superintendent Henley, of November 18, 1858, from which you will perceive that by order of the Secretary of the Interior, the entire valley of Nome Cult, designated by you as the Round Valley, was set apart and reserved for Indian purposes, and Mr. Henley was directed to give public notice to that effect.

In regard to the alleged statement of late Superintendent Henley to Deputy Surveyor Hatch, that he had appropriated a portion of said valley for an Indian farm, but that the same had never been recognized by the Government, I would remark that said valley was selected for Indian purposes by Mr. Henley in 1856; and Special Agent S. P. Storms gave it the name of Nome Cult, under the impression that he was the first discoverer of a new valley. An Indian farm was then established at that point, under his supervision, which has been cultivated and improved at the expense of the Government from that period to the present time, and is still held for Indian use.

There is a letter on file here, dated May 7, 1858, from the then Superintendent Henley, in which he makes use of the following language in regard to the Nome Cult Farm:

This farm seems in a prosperous condition, and bids fair, in my judgment, to become the best location for the subsistence of Indians we have yet selected.

Again, in a letter of the 28th of February last, he calls attention to intrusions upon the rights of Indians in this valley, and inclosed,

for the information of this office, a copy of a letter from Special Agent Storms, in charge of the "Round Valley Farm."

These facts are deemed sufficient to show that the Round Valley has been set apart and recognized by the department for an Indian reservation; and I have to request that you will respect the same upon the books of your office, and notify the local office in California accordingly.

Very respectfully, your obedient servant,

A. B. GREENWOOD, *Commissioner.*

JOSEPH S. WILSON, Esq.,

*Acting Commissioner General Land Office.*

(June 21, 1860, the General Land Office transmitted to this office plat of a survey of the boundaries of this reserve, certified by the surveyor general of California May 4, 1860, which showed the reserve as surveyed at that time to be situated in townships 22 and 23 north, of ranges 12 and 13 west, of Mount Diablo meridian, California, and to embrace 25,030.08 acres.)

---

DEPARTMENT OF THE INTERIOR,

*Washington, D. C., March 30, 1870.*

SIR: I have the honor to transmit herewith a communication dated the 4th instant, from the Commissioner of Indian Affairs, and accompanying papers, maps, etc., recommending the enlargement of Round Valley Indian Reservation in Mendocino County, Cal., to the extent indicated by the commissioner and as delineated on the said map.

I concur with the commissioner in the opinion that the Indian service in California requires that all of "Round Valley" be reserved for Indian purposes, and have the honor to request that said valley be set apart as an Indian reservation, as the same is enlarged in accordance with the report of Superintendent McIntosh, plat, field notes, and schedule of lands, marked A, B, and C, which are herewith inclosed.

With great respect, your obedient servant.

J. D. Cox, *Secretary.*

The PRESIDENT.

[Inclosure B.]

OFFICE SUPERINTENDENT OF INDIAN AFFAIRS, CALIFORNIA,

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
*January 14, 1868.*

SIR: I have the honor to acknowledge the receipt, by reference from you on the 20th ultimo, of a letter addressed to you by Gen. John B. Sanborn, dated the 17th ultimo, requesting that patents may issue for selections, described in this letter, to the half-breeds entitled under the fifth article of the Cheyenne and Arapahoe treaty of 1865 (see pamphlet laws, second session Thirty-ninth Congress, Treaties, p. 143), and upon which you direct a report of the views of this office. In reference to the same I would respectfully say that I doubt the practicability of having patents issued in the absence of surveys.

\* \* \* \* \*

It is provided in said fifth article of the treaty of 1865 that such lands shall be selected from the reservation established by the first article of the Araphoe and Cheyenne treaty of February 18, 1861. (See Stat. L., vol. 12, p. 1163.) In view, therefore, of the fact that many of the half-breeds entitled to selections under said treaty are settled and have made valuable improvements upon the lands they desire to have patented to them, and as there may be delay in the appropriation for the survey of the selections, during which time the railway company \* \* \* may procure legislation granting them lands in the reserve from which the half-breed selections are provided by treaty to be made, I respectfully recommend that the President be requested to direct that this reserve be withdrawn from sale until these selections are made.

Very respectfully, your obedient servant,

C. E. MIX, *Acting Commissioner.*

Hon. O. H. BROWNING,

*Secretary of the Interior.*

## IDAHO.

### CŒUR D'ALÈNE RESERVATION.

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
*May 23, 1867.*

SIR: Under date October 1, 1866, Governor Ballard, of Idaho, was instructed to select and report to this office reservations for the use of the Boise and Bruneau Bands of Shoshones, in the southern part, and for the Cœur d'Alènes, and other Indians, in the northern part of that Territory. These instructions were based upon statements contained in the annual report of Governor Ballard, printed at pages 191 and 192 of the annual report of this office for 1866. There are no treaties existing with either of the tribes or bands named, nor, so far as the Shoshones are concerned, have they any such complete tribal organization as would justify treaties with them, even if such arrangements were practicable under the force of recent legislation by Congress. The northern tribes have a better organization, but advices from the Executive indicate that while a necessity exists for some arrangement under which the Indians of all the bands referred to should have some fixed home set apart for them before the lands are all occupied by the whites, who are rapidly prospecting the country, such arrangements can now be made by the direct action of the department.

I herewith transmit two reports of Governor Ballard describing tracts proposed to be set apart for these Indians. So far as the one intended for the Shoshones is concerned its location as a permanent home for those bands is dependent upon the consent of Washakee's band, commonly known and heretofore treated with as the eastern bands Shoshones; but there is no doubt of their ready acquiescence in the arrangement. The land referred to is within the limits acknowledged as their hunting range by the treaty of 1863. Believing that the interest of the Government, as well as that of the Indians, require that such action should be taken, I recommend that the President be requested to set apart the reservation described in the diagram herewith for the use of the Indians referred to, and that the General Land Office be directed to respect the boundaries thus defined.

Should the suggestions herein contained be approved, and favorable action had, this office will inform the governor and superintendent of Indian affairs of the fact and direct such further measures as to carry the plan into operation without delay, so far as the means at the disposal of the department will permit.

Very respectfully, your obedient servant,

N. G. TAYLOR, *Commissioner.*

HON. O. H. BROWNING,  
*Secretary of the Interior.*

DEPARTMENT OF THE INTERIOR,  
GENERAL LAND OFFICE,*June 6, 1867.*

SIR: I have the honor to acknowledge the receipt of your communication of the 27th ultimo, transmitting one from the Commissioner of Indian Affairs of the 23d May last, with accompanying documents, relating to proposed Indian reservations in Idaho Territory; and in obedience to your directions that I examine and report upon the subject-matter, I have to state as follows:

The suggestion of the Commissioner of Indian Affairs in reference to the reservations proposed for the Boise and Bruneau Bands of Shoshones in the southern part of Idaho, and for the Cœur d'Alènes and other Indians in the northern part of that Territory, is that the same may be set apart by the President for those Indians as their home reservations to the extent as represented on the accompanying diagrams herewith, and transferred on a map of Idaho accompanying this letter, being there represented in green and blue shadings, respectively.

The boundaries as defined by the local Indian agents, as per separate diagrams of the above reservations, are:

First. The Boise and Bruneau Bands of Shoshones and Bannock Reservation: "Commencing on the south bank of Snake River at the junction of the Port Neuf River with said Snake River; thence south 25 miles to the summit of the mountains dividing the waters of Bear River from those of Snake River; thence easterly along the summit of said range of mountains 70 miles to a point where Sublette road crosses said divide; thence north about 50 miles to Blackfoot River; thence down said stream to its junction with Snake River; thence down Snake River to the place of beginning," embracing about 1,800,000 acres and comprehending Fort Hall, on the Snake River, within its limits.

Second. The Cœur d'Alènes and other tribes of northern Idaho, the proposed reservation for which is shown on the map of Idaho, herewith, in blue color, is represented to be about 20 miles square: "Commencing at the head of the Latah, about 6 miles above the crossing on the Lewiston trail, a road to the Spokane Bridge; thence running north-northeasterly to the St. Joseph River, the site of the old Cœur d'Alène Mission; thence west to the boundary line of Washington and Idaho Territories; thence south to a point due west of the place of beginning; thence east to place of beginning," including about 250,000 acres.

I have to observe that no surveys of the public lands have been made in those portions of Idaho Territory, nor is this office advised of the extinguishment of Indian titles to the same guaranteed to them by the provisions of the first and seventeenth sections of an "Act to provide a temporary government for the Territory of Idaho," approved March 3, 1863. (U. S. Stats., vol. 12, pp. 809 and 814.)

The records of this office showing no objection to the policy recommended to the Department by the Commissioner of Indian Affairs in his communication of the 23d ultimo, I have the honor to return the

same to the Department, together with the papers accompany the same.

I have the honor to be, very respectfully, your obedient servant,  
 JOS. S. WILSON, *Commissioner.*

This department concurs in the recommendation of the Commissioner of Indian Affairs, that the lands indicated upon the annexed diagram, and defined in the accompanying report of the Commissioner of the General Land Office of the 6th instant, be set apart as reservations for the Indians referred to, and I have the honor to request, if it meets your approval, that you make the requisite order in the premises.

EXECUTIVE MANSION, November 8, 1873.

Beginning at a point on the top of the dividing ridge between Pine and Latah (or Hangmans) Creeks, directly south of a point on said last-named creek 6 miles above the point where the trail from Lewiston to Spokane Bridge crosses said creek; thence in a northeasterly direction in a direct line to the Cœur d'Alène Mission on the Cœur d'Alene River (but not to include the lands of said mission); thence in a westerly direction in a direct line to the point where the Spokane River heads in or leaves the Cœur d'Alene Lakes; then down along the center of the channel of said Spokane River to the dividing line between the Territories of Idaho and Washington as established by the act of Congress organizing a Territorial government for the Territory of Idaho; thence south along said dividing line to the top of the dividing ridge between Pine and Latah (or Hangmans) Creeks; thence along the top of the said ridge to the place of beginning.

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
*July 23, 1869.*

SIR: I have the honor to submit herewith a letter from Charles F. Powell, special United States Indian agent, Fort Hall Agency, Idaho Territory, dated the 30th ultimo, which letter was forwarded to this office, with indorsement dated the 6th instant, by Hon. D. W. Ballard, governor and ex officio superintendent of Indian affairs for said Territory, and would respectfully call your attention to that portion of Agent Powell's letter relative to a selection of reservation for the Bannock Indians.

It is provided in the second article of the treaty concluded with the Eastern Band of Shoshones and the Bannock Tribe of Indians, July 3, 1868, that whenever the Bannocks desire a reservation to be set apart for their use, or whenever the President of the United States shall deem it advisable for them to be put upon a reservation, he shall cause a suitable one to be selected for them in their present country, which shall embrace reasonable portions of the Port Neuf and "Kansas prairie" countries, and that when the reservation is declared the United States will secure to the Bannocks the same rights and privileges therein and make the same and like expenditures therein for their benefit, except the agency house and residence of agent, in proportion to their numbers, as herein provided for the Shoshone Reservation.

By virtue of Executive order dated June 14, 1867 (herewith inclosed), there was set apart a reservation for the Indians in southern Idaho, including the Bannocks. This reserve, it will be observed from the diagram accompanying said Executive order, embraces a portion of the country which the treaty provision above quoted provides the reservation for the Bannocks shall be selected from. It appears from the letter of Agent Powell that the Bannocks are at present upon the reserve set apart by Executive order as above stated, and that they desire to remain there. I think the area embraced within this reserve is sufficient for the Bannocks and any other Indians that it may be desired to locate thereon. I therefore respectfully recommend that the same be designated as the reserve provided for in the treaty of July 3, 1868, as hereinbefore recited, and that the President be requested to so direct.

Very respectfully, your obedient servant,

E. S. PARKER, *Commissioner.*

DEPARTMENT OF THE INTERIOR,

SIR: I have the honor to submit herewith a communication from the Commissioner of Indian Affairs, dated the 23d instant, and accompanying papers, relative to the designation of a reservation in Idaho for the Bannock Indians, as provided by the second article of the treaty of July 3, 1868, with that tribe, and for the reasons stated by the commissioner, respectfully recommend that you direct that the lands reserved by an Executive order dated June 14, 1867, for the Indians of southern Idaho, including the Bannocks, be designated as the reservation provided for said tribe by the second article of the treaty referred to, dated July 3, 1868.

With great respect, your obedient servant,

J. D. Cox, *Secretary.*

EXECUTIVE MANSION, *July 30, 1869.*

The within recommendation of the Secretary of the Interior is hereby approved, and within the limits of the tract reserved by Ex-

ecutive order of June 14, 1867, for the Indians of southern Idaho will be designated a reservation provided for the Bannocks by the second article of the treaty with said tribe of July 3, 1868.

Said tract of country is estimated to contain about 100 square miles, and is in lieu of the tract provided for in the third article of an unratified treaty made and concluded at Virginia City, Montana Territory, on the 24th of September, 1868.

### ISABELLA RESERVATION.

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
*December 11, 1854.*

SIR: I inclose a copy of a letter from Messrs. George Smith and P. O. Johnson, missionaries of the Methodist Episcopal Church in Michigan, addressed to Rev. Dr. Durbin, and by him forwarded to this office, in relation to certain desired reservations of public lands.

In consideration of certain contemplated arrangements with the Indians in Michigan during the ensuing spring, I have to ask that you reserve from public sale the lands designated in the letter of Messrs. Smith and Johnson.

I have also received a communication from the Rev. J. P. Durbin, corresponding secretary of the Missionary Society of the Methodist Episcopal Church, asking for an additional reservation of lands near Iroquois Point, back from the lake.

For the reasons above, I concur in the request, and ask that several additional sections to those already reserved be made of the lands in the vicinity of Iroquois Point.

Very respectfully, your obedient servant,

GEO. W. MANYPENNY, *Commissioner.*

JOHN WILSON, Esq.,

*Commissioner of General Land Office.*

---

GENERAL LAND OFFICE,  
*December 20, 1854.*

SIR: I have the honor to transmit a communication from the Commissioner of Indian Affairs, addressed to this office, bearing date the 11th instant, and its inclosure, recommending, for reasons stated, the withdrawal from market and reservation for Indian purposes the lands in Isabella County, Mich., or so much thereof as may be deemed expedient.

The pink-shaded lines on the inclosed printed map show the limits of Isabella County, covering, according to the maps of this office, townships 13, 14, 15, and 16 north, of ranges 3, 4, 5, and 6 west of the Michigan meridian, in the Ionia district, the whole of which are requested to be reserved, and the numbers 1, 2, 3, 4, 5, 6, placed on certain townships, show the order of the preference to be given should it be determined to reserve less than the east half of the county.

From an estimate just made at this office it appears that only about two-ninths of the whole surface has been disposed of, although three of the townships have been in market since 1833, and the balance since 1840.

As regards the conditions mentioned in the Rev. George Smith's letter (among the papers), that the reserve be made "for the Chippewa Indians of Michigan, to be purchased under the direction of the missionary society," etc., I have to remark that no such privilege could, in my opinion, be given without legislation of Congress.

I am, very respectfully, your obedient servant,

JOHN WILSON, *Commissioner.*

HON. ROBERT McCLELLAND,  
*Secretary of the Interior.*

DEPARTMENT OF THE INTERIOR, *April 12, 1855.*

SIR: I have the honor to submit herewith two letters from the Commissioner of the General Land Office in relation to the withdrawal of certain lands in Michigan from sale with a view to the benefit hereafter of certain Indian tribes, in accordance with the intimations of the Indian Office.

The first letter, that of the 20th of December last, has reference to lands in Isabella County, Mich., and that of the 10th instant to land in a new county, called Emmet, in the same State, the former county containing 16 and the latter 27 townships and fractional townships, and the withdrawal appears to be desired by the Indian Office "in consequence of certain contemplated arrangements with the Indians in Michigan during the present spring." The matter connected with the letter of the 20th December has been delayed, waiting more specific information from the Indian Office as to the specific land wanted, which is supplied by this letter of the 10th instant from that office.

The philanthropic policy of furnishing these Indians, who are desirous of becoming cultivators of the soil, with land for that purpose, to the greatest possible extent separated from evil example or annoyance of unprincipled whites, who might be disposed to settle in their vicinity, or within their midst, after farms already opened by them had rendered the surrounding land more valuable is apparent, and I have no hesitation in recommending your sanction to the withdrawal of the lands indicated in each of said communications from the Land Office, but it must be with the express understanding that no peculiar or exclusive claim to any of the land so withdrawn can be acquired by said Indians, for whose future benefit it is understood to be made, until after they shall by future legislation be invested with the legal title thereto.

With much respect, your obedient servant,

R. McCLELLAND, *Secretary.*

THE PRESIDENT OF THE UNITED STATES.

[Indorsement.]

MAY 14, 1855.

Let the withdrawal of all the vacant land in Isabella County be made with the express understanding contained in the letter of the Secretary of the Interior to me of the 12th instant.

FRANKLIN PIERCE.

(Superseded by treaty of August 2, 1855, with Chippewas of Saginaw, Swan Creek, and Black River, 11 Stat. L., 633.)

## LITTLE TRAVERSE RESERVATION.

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
*April 12, 1864.*

SIR: I have the honor to transmit herewith, for your consideration, a copy of a letter from Agent Leach, in which he recommends that townships 34, 35, 36, 37, 38, and 39 north, range 4 west, and townships 34, 37, 38, and 39 north, range 3 west be withdrawn from sale, with a view to an enlargement of the Little Traverse Reservation.

In his annual report for 1863 (see annual report of this office for 1863, pp. 377 and 378) Agent Leach gives his reasons at length in favor of an enlargement of the Little Traverse Reservation, with a view to the removal of the Indians from Mackinac, Beaver Island, Thunder Bay, and those east of the Grand Traverse Bay, and locating them all upon the Little Traverse Reservation, thereby greatly reducing the expenses of the agency, and, as hoped, much improving the condition of the Indians.

Concurring in the views expressed by Agent Leach in his report above referred to, I respectfully recommend that the townships named in his letter be withdrawn from sale, with a view to the proposed enlargement of the Little Traverse Reservation.

Very respectfully, your obedient servant,

W. P. DOLE, *Commissioner.*

HON. J. P. USHER,  
*Secretary of the Interior.*

[First indorsement.]

DEPARTMENT OF THE INTERIOR, *April 15, 1864.*

Respectfully submitted to the President with the recommendation that the lands within described be withdrawn from sale for the purpose indicated.

J. P. USHER, *Secretary.*

[Second indorsement.]

Let the lands be withheld from sale as recommended.

EXECUTIVE MANSION, *February 4, 1874.*

Referring to Executive order dated April 16, 1864, withdrawing from public sale for Indian purposes, the undisposed-of lands embraced in townships 34, 37, 38, and 39 north, of range 3, and townships 34, 35, 36, 37, 38, and 39 north, of range 4 west, in the State of Michigan, I hereby revoke, rescind, cancel, and declare said order to be void and of no effect from and after the date hereof, and the lands above described are hereby restored to the public domain.

CHAS. E. MIX,

HON. R. McCLELLAND,  
*Secretary of the Interior.*

[Indorsement.]

DEPARTMENT OF THE INTERIOR, *August 4, 1855.*

Referred to the Acting Commissioner of the General Land Office for his examination, and, if no objection exists, that he report the fact without delay, so that the order of the President may be obtained.

CHAS. S. FRAILEY, *Acting Chief Clerk.*

<sup>1</sup> Although this township (32 north, range 10 west) is referred to in the commissioner's letter as already withdrawn from sale, it is believed to be a mistake in transcribing the dispatch through the telegraph offices, informing him what tracts have been so withdrawn. It should therefore be included in the list of those to be withdrawn.

GENERAL LAND OFFICE, *August 8, 1855.*

SIR: I have the honor to return herewith the letter of the Acting Commissioner of Indian Affairs and its inclosure of the 4th instant, referred by the acting chief clerk of the department to this office, same day, for report, requesting the withdrawal from sale of certain lands therein described, in the State of Michigan, in order that selections may be made therefrom for the Ottawas and Chippewas of Michigan, under a treaty concluded on the 31st July, 1855.

In reply. I herewith inclose a printed diagram, showing by the red shades the relative positions (as near as can be shown on a small scale) of the tracts requested to be reserved, and have to state that portions of the lands, it appears from an examination of the tract books, have been sold to individuals and selected by the State for swamp lands, and that the small tracts reserved for lighthouse purposes are embraced thereby. With these exceptions there appears to be no objection to withdrawing the lands temporarily until the contemplated selections are made.

I am, very respectfully, your obedient servant,

JNO. HOOD, *Acting Commissioner.*

HON. ROBT. McCLELLAND,  
*Secretary of Interior.*

DEPARTMENT OF THE INTERIOR,

SIR: I have the honor to submit herewith for your approval the application from the Indian Office of the 4th instant, for the withdrawal from sale certain tracts of land in the State of Michigan for the purpose of making selections therefrom for the Ottawas and Chippewas of Michigan under a treaty concluded the 31st ultimo.

The matter having been submitted to the General Land Office with a view of ascertaining whether any objection was known there to the proposed withdrawal, the Acting Commissioner replies on this day that no objection was known, with certain exceptions to special tracts previously appropriated.

It is therefore recommended that, with the exception mentioned, the lands referred to be temporarily withdrawn from sale for the purposes desired.

With much respect, your obedient servant,

R. McCLELLAND, *Secretary.*

The PRESIDENT OF THE UNITED STATES.

## MINNESOTA.

### DEER CREEK RESERVATION.

EXECUTIVE MANSION, *June 30, 1883.*

Agreeably to the provision contained in the closing sentence of the first clause of article 3 of the treaty of April 7, 1866, with the Boise Fort Band of Chippewa Indians (14 Stat. L., p. 765), it is hereby ordered that a township of land in the State of Minnesota, to wit, township 62 north, range 25 west of the fourth principal meridian, be, and the same is hereby, set apart for the perpetual use and occupancy of said Indians: *Provided, however,* That any tract or tracts embraced within said township to which valid rights have attached under the laws of the United States governing the disposition of the public lands are hereby excluded from the reservation hereby made.

CHESTER A. ARTHUR

### FOND DU LAC RESERVATION.

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
*November 16, 1858.*

SIR: I have received a letter from the Commissioner of the General Land Office of the 10th instant, inclosing a copy of the plat and field notes of the survey of the exterior boundary of the Fond du Lac Reservation, made in conformity with the provisions of the fourth clause of the second article of the Chippewa treaty of September 30, 1854, together with a copy of a communication from Peter E. Bradshaw, deputy surveyor, addressed to the surveyor-general of Minnesota.

Mr. Bradshaw represents that the boundary of said reserve does not include the principal settlement of the Indians, which with their improvements are located at "Perch Lake" and its vicinity, which lake is some 3 or 4 miles south of the southern boundary of the reservation as established by said survey.

The deputy surveyor states that the Indians are very much dissatisfied with the location of said boundary line, and they claim that the treaty secured to them Perch Lake.

I am fully satisfied that it was the understanding of the respective parties who negotiated the treaty that the southern boundary line, as therein described, should have embraced the Indian settlements at Perch Lake, and in consideration of the fact that an error has occurred in the description of the line in question, which if not corrected, would compel the Indians to abandon the only settlement,

perhaps, where they can acquire a subsistence, I would respectfully recommend that, with your concurrence, the subject be laid before the President, with a view to such action as may be necessary to withdraw from preemption and sale so much of the public lands in the vicinity of Perch Lake as may be required to protect the interests of the Indians and secure to them their improved settlements in order that appropriate steps may be taken with the approbation of the Executive to settle existing difficulties pertaining to said boundary by subsequent negotiations looking to a change of the lines of the present reserve.

The estimated area of the reservation embraced 125,294 acres, being about 25,000 acres more than was contemplated by the stipulations of the treaty, and therefore I would suggest that the Government as well as the Indians would be benefited by extending the southern boundary so as to include the Indian settlements, and by reducing the aggregate area in order that the reserve may embrace as nearly as possible 100,000 acres.

Very respectfully, your obedient servant,

J. W. DENVER, *Commissioner.*

HON. J. THOMPSON,  
*Secretary of the Interior.*

GENERAL LAND OFFICE, *December 20, 1858.*

SIR: The letter of the Commissioner of Indian Affairs of the 16th November last, addressed to you in relation to the survey of the exterior boundaries of Fond du Lac Reservation, made in conformity with the provisions of the fourth clause of the second article of the Chippewa treaty of September 30, 1854, recommending to withdraw from preemption and sale so much of the public lands in the vicinity of Perch Lake as may be required to protect the interests of the Indians and secure them the improved settlements with a view to settle the existing difficulties pertaining to said boundary by subsequent negotiation, looking to a change of the lines of the present reserve, and also your indorsement on back of said letter calling on this office for a report and sketch of the specific tracts which it is desired *shall be withheld from preemption and sale, is received.*

### BITTER ROOT VALLEY RESERVATION.

EXECUTIVE MANSION, *November 14, 1871.*

The Bitter Root Valley, above the Loo-lo Fork, in the Territory of Montana, having been carefully surveyed and examined in accordance with the eleventh article of the treaty of July 16, 1855, concluded at Hell Gate, in the Bitter Root Valley, between the United States and the Flathead, Kootenay, and Upper Pend d'Oreilles Indians, which was ratified by the Senate March 8, 1859, has proved, in the judgment of the President, not to be better adapted to the wants of the Flathead Tribe than the general reservation provided for in said treaty, it is therefore deemed unnecessary to set apart any portion of said Bitter Root Valley as a separate reservation for Indians referred to in said treaty. It is therefore ordered and directed that all Indians residing in said Bitter Root Valley be removed as soon as practicable to the reservation provided for in the second article of said treaty, and that a just and impartial appraisement be made of any substantial improvements made by said Indians upon any lands of the Bitter Root Valley, such as fields inclosed and cultivated and houses erected; that such appraisement shall distinguish between improvements made before the date of said treaty and such as have been subsequently made.

It is further ordered that, after the removal herein directed shall have been made, the Bitter Root Valley aforesaid shall be open to settlement.

It is further ordered that if any of said Indians residing in the Bitter Root Valley desire to become citizens and reside upon the lands which they now occupy, not exceeding in quantity what is allowed under the homestead and preemption laws to all citizens, such persons shall be permitted to remain in said valley upon making known to the superintendent of Indian affairs for Montana Territory by the 1st day of January, 1873, their intention to comply with these conditions.

Area, 3.48 square miles.

Tracings of the proposed reservations are inclosed herewith.

It appears that about thirteen Indian families have received allotments of land within the limits of the proposed reservation for the post of Fort Custer (No. 1), and the Department of the Interior reports that with the distinct understanding "that these thirteen families shall not be disturbed, but shall be allowed to remain where they are now located, and to retain their present allotments of land and be permitted the free and unrestricted enjoyment thereof, unless they shall voluntarily release or abandon the same," that department will interpose no objection to the declaration of the proposed reservation as herein requested.

I have the honor to be, sir, with great respect,

Your obedient servant,

WM. C. ENDICOTT,  
*Secretary of War.*

The PRESIDENT.

### FORT SHAW RESERVATION.

WAR DEPARTMENT,  
*Washington, D. C., July 21, 1905.*

The military reservation of Fort Shaw, Montana, declared by Executive order of January 11, 1870, and embracing an area of about 29,843 acres, has become useless for military purposes. By order of the Secretary of War, dated April 25, 1892 (G. O., No. 30, Hdqrs. of the Army, 1892), the military post of Fort Shaw, Mont., including

the entire reservation, were, under authority of the act of Congress approved July 31, 1882 (22 Stats., 181), set aside for Indian school purposes and turned over to the custody and control of the Secretary of the Interior "so long as it may not be required for military occupation."

By order of the Interior Department, dated July 6, 1893, 4,999.5 acres of the land embraced within the military reservation, were reserved for the use of the Fort Shaw Indian School; and by order of the Secretary of the Interior, dated July 6, 1905, there has been added from such lands to the school reserve, as made by said order of July 6, 1893, a tract situated immediately west of the school reserve containing 4,364 acres, as described in a letter of the Acting Commissioner of Indian Affairs, dated June 28, 1905, addressed to the Secretary of the Interior. It appears, therefore, that a portion only (9,363.5 acres) of the military reserve is needed for Indian school purposes, the remainder of the reserve (20,479.5 acres) being useless for either military or Indian school purposes.

At the suggestion of the Secretary of the Interior and upon the recommendation of the Chief of Staff, U. S. Army, I have the honor to recommend that the entire reservation, except the portion (9,363.5 acres) which has been set aside for the Fort Shaw Indian School, as set forth above, be placed under the control of the Secretary of the Interior, under authority of the act of Congress approved July 5, 1884 (23 Stats., 103), for disposition as provided therein or as may be otherwise provided by law.

Inasmuch as the entire reservation has become useless for military purposes it is further recommended that the portion of the military reserve which has been set aside for the Fort Shaw Indian School be also placed under the control of the Secretary of the Interior, the same, however, to be held in reserve for Indian school purposes.

Very respectfully,

ROBERT SHAW OLIVER,  
*Acting Secretary of War.*

The PRESIDENT.

---

WHITE HOUSE, *July 22, 1905.*

The recommendations made within by the Acting Secretary of War are approved.

The Secretary of the Interior will cause this action to be noted on the records of the General Land Office.

T. ROOSEVELT.

### JUDITH BASIN RESERVATION.

EXECUTIVE MANSION, *January 31, 1874.*

It is hereby ordered that the following-described tract of country in the Territory of Montana, set apart as a reservation for the Crow Tribe of Indians by the first article of an agreement concluded with the said Indians, August 16, 1873, subject to the action of Congress, be, and the same is hereby, withdrawn from sale and settlement, viz:

“Commencing at a point on the Missouri River opposite to the mouth of Shankin Creek; thence up the said creek to its head, and thence along the summit of the divide between the waters of Arrow and Judith Rivers and the waters entering the Missouri River to a point opposite to the divide between the headwaters of the Judith River and the waters of the Muscleshell River; thence along said divide to the Snowy Mountains, and along the summit of said Snowy Mountains, in a northeasterly direction, to a point nearest to the divide between the waters which run easterly to the Muscleshell River and the waters running to the Judith River; thence northwardly along said divide to the divide between the headwaters of Armells Creek and the headwaters of Dog River, and along said divide to the Missouri River; thence up the middle of said river to the place of beginning (the said boundaries being intended to include all the country drained by the Judith River, Arrow River, and Dog River).”

U. S. GRANT.

---

EXECUTIVE MANSION, *March 25, 1875.*

By the first article of an agreement made by and between Felix R. Brunot, E. Whittlesey, and James Wright, commissioners on behalf of the United States, and the chiefs, headmen, and men representing the tribe of Crow Indians, under date of August 16, 1873, the following-described tract of country was set apart, subject to ratification by Congress, as a reservation for the absolute and undisturbed use and occupation of the Indians herein named, viz: “Commencing at a point on the Missouri River opposite to the mouth of Shankin Creek, thence up the said creek to its head, and thence along the summit of the divide between the waters of Arrow and Judith Rivers and the waters entering the Missouri River, to a point opposite to the divide between the headwaters of the Judith River and the waters of the Muscleshell River; thence along said divide to the Snowy Mountains, and along the summit of said Snowy Mountains, in a northeasterly direction, to a point nearest to the divide between the waters which run easterly to the Muscleshell River and the waters running to the Judith River; thence northwardly along said divide to the divide between the headwaters of Armells Creek and the headwaters of Dog River, and along said divide to the Missouri River; thence up the middle of said river to the place of beginning (the said boundaries being intended to include all the country drained by the Judith River, Arrow River, and Dog River).”

Pending its ratification by Congress, an order was issued January 31, 1874, withdrawing said tract of country from sale or settlement.

Inasmuch as these Indians have not removed to this country, and it is not probable that they will ever make it their home, and as Congress has not taken any decisive action on said agreement, it is ordered that the order of January 31, 1874, be, and hereby is, canceled, and said tract of country restored to the public domain.

U. S. GRANT.

## NORTHERN CHEYENNE RESERVATION.

### NIOBRARA OR SANTEE SIOUX RESERVATION.

DEPARTMENT OF THE INTERIOR,  
*Washington, D. C. February 26, 1866.*

SIR: I have the honor to submit herewith a letter addressed to this department by the Commissioner of Indian Affairs, requesting the reservation from preemption or sale of townships 31 and 32 north, range 5 west, and townships 31 and 32 north, range 6 west of the sixth principal meridian, in Nebraska Territory, until the action of Congress be had, with a view to the setting apart of these townships as a reservation for the Santee Sioux Indians now at Crow Creek, Dakota, and recommend that you direct those lands to be withdrawn from market and held in reserve for the purpose indicated.

I am, sir, very respectfully, your obedient servant,  
JAMES HARLAN, *Secretary.*

The PRESIDENT OF THE UNITED STATES.

EXECUTIVE MANSION, *February 27, 1866.*

Let the lands within named be withdrawn from market and reserved for the purposes indicated.

ANDREW JOHNSON,  
*President of the United States.*

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
*July 13, 1866.*

SIR: I have the honor to inclose herewith a copy of a letter dated June 26, ultimo, from Alex. Johnson, Esq., of this office, who has recently visited the reservation of the Sioux Indians on the Niobrara River, in Nebraska, in which he recommends an enlargement of said reservation for the reason that there is an insufficiency of timber for the use of the Indians within the present limits of their reservation.

The present reservation, embracing townships 31 and 32 north, of ranges 5 and 6 west, in Nebraska, were set apart for this purpose by order of the President under date of February 27, 1866.

Mr. Johnson states that there is good timber upon the rivers both above and below the present reservation, and I therefore recommend that township 33 north, range 5 west, and townships 31 and 32 north, ranges 7 and 8 west, in Nebraska, be withdrawn from sale and added to said reservation. I deem it important that immediate action should be had upon this subject, in order that the minds of the Indians may be quieted upon the subject of their permanent home and that thereby they may be induced to settle down and engage in the pursuits of civilized life. Should you approve the same, I respectfully recommend that the President be requested to direct that the aforesaid townships be added to said reservation as a permanent reservation for said Indians.

Very respectfully, your obedient servant,

D. N. COOLEY, *Commissioner.*

HON. JAMES HARLAN,  
*Secretary of the Interior.*

---

DEPARTMENT OF THE INTERIOR,  
*Washington, D. C., July 14, 1866.*

SIR: For the reasons mentioned in the accompanying copy of a letter from the Commissioner of Indian Affairs, of the 13th instant, it is deemed expedient to enlarge the boundaries of the Sioux Indian Reservation on the Niobrara River in Nebraska, and I have therefore to request that you will, at the *earliest practicable* date, furnish the department with a diagram, properly shaded, showing the exterior lines of the present reservation, together with those of the townships recommended by the Commissioner of Indian Affairs to be set apart as an addition to the original quantity withdrawn by the President's order of 27th February last, viz, township 33 north, of range 5 west; township 31 north, of ranges 7 and 8 west; township 32 north, of ranges 7 and 8 west, in Nebraska Territory.

You will also report the number of acres contained in the reservation as thus enlarged and whether there exists upon your records any objection to such a disposal of the above-named townships.

Very respectfully, your obedient servant,

JAS. HARLAN, *Secretary.*

The COMMISSIONER OF THE GENERAL LAND OFFICE.

DEPARTMENT OF THE INTERIOR,  
GENERAL LAND OFFICE,

July 17, 1866.

SIR: In compliance with your letter of the 14th instant, I have the honor to transmit herewith a diagram showing the Sioux Reservation, on Niobrara River, in Nebraska, as ordered by the President under date of 27th February last, shaded green, and the enlargement as proposed by the Commissioner of Indian Affairs in his letter to you of the 13th instant, a copy of which accompanied your present communication, this enlargement shaded red.

The area of the present reservation 81,518.65 acres, of the enlargement 67,087.52 acres, making a total of 148,606.17 acres.

There are in the additional townships, as reported from the local office, six settlers, five of whom have initiated preemption claims, filing declaratory statement, and one has proved up and paid for his land. A list of these settlers is appended to the diagram.

I am, sir, very respectfully,

J. M. EDMUNDS,  
*Commissioner.*

Hon. JAMES HARLAN,  
*Secretary of Interior.*

The PRESIDENT.

EXECUTIVE MANSION, July 20, 1866.

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
*Washington, D. C., June 28, 1875.*

SIR: By the terms of an act of Congress entitled "An act making appropriations for the current and contingent expenses of the Indian Department and for fulfilling treaty stipulations with various Indian tribes for the year ending June 30, 1876, and for other purposes," approved March 3, 1875, the Pai-Ute Reservation in southeastern Nevada is reduced to "one thousand acres, to be selected by the Secretary of the Interior, in such manner as not to include the claim of any settler or miner."

I have the honor to submit herewith a report from William Van-dever, United States Indian inspector, dated San Francisco, Cal., June 12, 1875, under office instructions of 26th of March last, submitting a report of the selection of the 1,000 acres (to which the Pai-Ute Reservation in southeast Nevada was reduced) made by Messrs. Bateman and Barnes, United States Indian agents in Nevada, under his instructions of April 12, 1875, which selection having met his approval, he forwards, with the recommendation that the following metes and bounds be established and proclaimed by Executive order

as the boundaries of the Pai-Ute Reservation in southeastern Nevada, as contemplated by said act of Congress, viz:

Commencing at a stone set in the ground, extending 3 feet above, whereon is cut "U. S. No. 1," which stone marks the northeast corner of the reservation, standing on a small hill known as West Point, and set 18 feet in a northeasterly direction from the corner of a building designated as the office and medical depository located on said reservation and running thence north 60° west 80 chains to a stone upon which is cut "U. S. No. 2"; thence north 70° west 97 chains to a stone upon which is cut "U. S. No. 3"; thence south 56 chains and 50 links to a monument of stones on the top of a hill; thence south 70° east 97 chains to a monument of stones at the base of a hill; thence south 60° east 80 chains to a stone set in the ground rising 2 feet above, upon which is cut "U. S., SE. corner"; thence north 56 chains and 50 links to place of beginning.

The act in question provides that the reservation shall not include any claim of settler or miner, yet the lands described above includes the claim of Volney Rector. Inasmuch, however, as Inspector Vandever reports the improvements of Mr. Rector to be just what are required for the agency, and that Mr. Rector has relinquished the possession thereof to the United States for \$1,800, the appraised value of two years ago, made by Commissioners Ingalls and Powell, I deem the law to have been complied with, and therefore submit the selection herein made for your approval, with the suggestion, if approved by you, that the lands herein selected be set apart for the Pai-Ute Indians.

The return of the letter of Inspector Vandever is herewith requested, with your directions in the premises.

Very respectfully, your obedient servant,

H. R. CLUM,  
*Acting Commissioner.*

The SECRETARY OF THE INTERIOR.

# NEW MEXICO.

## BOSQUE REDONDO RESERVATION.

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
*January 14, 1864.*

SIR: My attention has been called by Superintendent Steck, of New Mexico, to the necessity of designating a tract of land in New Mexico 40 miles square, with Bosque Redondo as the center, as a reservation for the Apache Indians.

In a former letter to this office, a copy of which was transmitted to you with report thereon, under date of December 16, 1863, Superintendent Steck speaks of the proposed reservation as well adapted to Indian purposes for a limited number. Mr. Steck estimates the number of Apaches to be about 3,000 and the quantity of arable land within the boundaries of the proposed reservation at not exceeding 6,000 acres. Surveyor General Clark, of New Mexico, in a letter to Mr. Steck, a copy of which was transmitted to you with the report before mentioned, makes the same estimate as to the quantity of arable land within 40 miles square, with Bosque Redondo as a center.

Owing to the fact that the arable land lies along the water courses, it seems to be necessary that the area of the reservation should be as large as that proposed by Mr. Steck, in order to suitably accommodate the estimated number of Apaches and isolate them as far as possible from the whites.

For the reasons given by Mr. Steck in his letter before referred to, as well as for those given in his annual report for 1863, to both of which reference is had, should you concur in the propriety of reserving the tract of land mentioned for the use of the Apaches, I would respectfully recommend that the subject be laid before the President, with the recommendation that the same may be withheld from pre-emption and settlement, and under his proclamation be set apart for Indian purposes.

Very respectfully, your obedient servant,

WILLIAM P. DOLE, *Commissioner.*

HON. JOHN P. USHER,  
*Secretary of the Interior.*

[First indorsement.]

DEPARTMENT OF THE INTERIOR, *January 15, 1864.*

Respectfully laid before the President, with the recommendation that the reservation be set apart for the purposes herein indicated.

J. P. USHER, *Secretary.*

[Second indorsement.]

Approved January 15, 1864.

## FORT STANTON OR MESCALERO APACHE RESERVATION.

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,

I respectfully recommend that the President be requested to order that the land comprised within the above-described limits be withheld from entry and settlement as public lands, and that the same be set apart as an Indian reservation, as indicated in my report to the department of this date.

CHESTER A. ARTHUR.

### TULEROSA VALLEY RESERVATION.

CAMP TULEROSA, N. MEX., *August 29, 1871.*

SIR: Agreeably to the power conferred upon me by the President, and communicated to me in the letter of the honorable Secretary of the Interior of the 22d July, 1871, that I should proceed to New Mexico and Arizona and there take such action as in my judgment should be deemed wisest and most proper for locating the nomadic tribes of those Territories upon suitable reservations, bringing them under the control of the proper officers of the Indian Department, etc., assisted by yourself and O. F. Piper, agent for the Southern Apache Indians, I have carefully examined the place and neighborhood at Canada Alamosa, where the agency is at present located, and for several reasons find the same unsuitable for a reservation. Assisted by the officers named above, I have also carefully inspected the valley of the Tulerosa, and finding the same to possess most of the requisites necessary to a home for the Indians, it being remote from white settlements, surrounded by mountains, and easily crossed, with sufficient arable lands, good water, and plenty of wood and game, I hereby declare the said valley of the Tulerosa, beginning at the headwaters of the Tulerosa River and its tributaries in the mountains, and extending down the same 2 miles on each side for a distance of 30 miles, to be an Indian reservation for the sole use and occupation of the Southern and other roving bands of Apache Indians, their agent, and other officers and employees of the Government, the laws relating to Indian reservations in the United States governing the same until such time as the Executive or Congress shall set aside this order. I would therefore suggest that Agent Piper be instructed to remove his agency and the Indians under his charge from Canada Alamosa to the Tulerosa Valley as soon as practicable after the receipt of this letter. The War Department having directed the officers commanding the district of New Mexico and Arizona to afford military protection to such Indians as may be induced to come in, both on their way and after arrival at the reservation, the agency will be amply protected, and the department having authorized me to supply these Indians with whatever may be necessary, you are at liberty

to incur such moderate expenditures as may be absolutely necessary to carry out the above instructions.

Very respectfully, your obedient servant,

VINCENT COLYER, *Commissioner*.

NATHANIEL POPE, Esq.,

*Superintendent of Indian Affairs.*

(For other correspondence relating to this reserve and Executive order of November 9, 1871, see "White Mountain Reserve, Arizona.")

EXECUTIVE MANSION, *November 24, 1874.*

All orders establishing and setting apart the Tulerosa Valley, in New Mexico—described as follows: Beginning at the headwaters of the Tulerosa River and its tributaries in the mountains, and extending down the same 10 miles on each side for a distance of 30 miles—as an Indian reservation, are hereby revoked and annulled; and the said described tract of country is hereby restored to the public domain.

U. S. GRANT.

### ZUÑI PUEBLO RESERVATION.

EXECUTIVE MANSION, *March 16, 1877.*

It is hereby ordered that the following-described tract of country in the Territory of New Mexico, viz: Beginning at the one hundred and thirty-sixth milestone on the western boundary line of the Territory of New Mexico, and running thence north  $61^{\circ} 45'$  east, 31 miles and eight-tenths of a mile to the crest of the mountain a short distance above Nutria Springs; thence due south 12 miles to a point in the hills a short distance southeast of the Ojo Pescado; thence south  $61^{\circ} 45'$  west to the one hundred and forty-eighth milestone on the western boundary line of said Territory; thence north with said boundary line to the place of beginning, be, and the same hereby is, withdrawn from sale and set apart as a reservation for the use and occupancy of the Zuñi Pueblo Indians.

R. B. HAYES.

EXECUTIVE MANSION, *May 1, 1883.*

Whereas it is found that certain descriptions as to boundaries given in an Executive order issued March 16, 1877, setting apart a reservation in the Territory of New Mexico for the Zuñi Pueblo Indians, are not stated with sufficient definiteness to include within said reservation all the lands specified in and intended to be covered by said Executive order, especially the Nutria Springs and the Ojo Pescado, said Executive order is hereby so amended that the description of the tract of land thereby set apart for the purposes therein named shall read as follows:

Beginning at the one hundred and thirty-sixth milepost on the west boundary line of the Territory of New Mexico, thence in a

direct line to the southwest corner of township 11 north, range 18 west; thence east and north, following section lines, so as to include sections 1, 12, 13, 14, 22, 23, 24, 25, 26, 27, 28, 32, 33, 34, 35, and 36, in said township; thence from the northeast corner of said township, on the range line between ranges 17 and 18 west, to the third correction line north; thence east on said correction line to the nearest section line in range 16, from whence a line due south would include the Zuñi settlements in the region of Nutria and Nutria Springs and the Pescado Springs; thence south, following section lines, to the township line between townships 9 and 10 north, range 16 west; thence west on said township line to the range line between ranges 16 and 17 west; thence in a direct line to the one hundred and forty-eighth milepost on the western boundary line of said Territory; thence north along said boundary line to the place of beginning.

CHESTER A. ARTHUR.

EXECUTIVE MANSION, *March 3, 1885.*

It is hereby ordered that the Executive order dated May 1, 1883, explaining, defining, and extending the boundaries of the Zuñi Indian Reservation, in the Territory of New Mexico, be, and the same is hereby, amended so as to except and exlude from the addition made to said reservation by the said Executive order of May 1, 1883, any and all lands which were at the date of said order settled upon and occupied in good faith under the public-land laws of the United States.

CHESTER A. ARTHUR.

THE WHITE HOUSE, *February 17, 1912.*

Under authority of the act of Congress of June 4, 1897 (30 Stat., 11 at 34 and 36), and upon recommendation of the Secretary of Agriculture, it is hereby ordered that on and after March 1, 1912, the boundaries of the Zuñi National Forest, Arizona and New Mexico, as proclaimed March 2, 1909, and modified by subsequent proclamation of July 1, 1910, be further modified by excluding therefrom those parts of the Zuñi and of the Navajo Indian Reservations included in said Zuñi National Forest by the said proclamation of March 2, 1909, except those parts of the said Navajo Indian Reservation described in Executive Order No. 1284 of January 16, 1911, and included in said Zuñi National Forest by said proclamation of March 2, 1909, which are hereby retained as national forest land.

The purpose of this exclusion is to restore in all respects the Zuñi Indian Reservation, and that part of the Navajo Indian Reservation not affected by Executive Order No. 1284 of January 16, 1911, to the status existing prior to the said proclamation of March 2, 1909, as though the inclusion of the lands within the Zuñi National Forest had not been ordered, and said Indian Reservations are hereby fully re-created and restored to that status, with the exception above mentioned.

HEADQUARTERS, FORT STEVENSON, *September 25, 1869.*

SIR: I have the honor to report that I have consulted the best guides and obtained all available information in addition to my own examination as far as it was practicable in regard to a reservation for the Arickaree, Gros Ventre, and Mandan Indians.

I had an interview with the chiefs of the three tribes and read the communication from the Commissioner of Indian Affairs forwarded to me from the commanding general of the department, with which they seemed much pleased. I proposed to them the following reservation, with which they were satisfied: From a point on the Missouri River 4 miles below the Indian village (Berthold), in a northeast direction 3 miles (so as to include the wood and grazing around the village); from this point a line running so as to strike the Missouri River at the junction of Little Knife River with it; thence along the left bank of the Missouri River to the mouth of the Yellowstone River, along the south bank of the Yellowstone River to the Powder River, up the Powder River to where the Little Powder River unites with it; thence in a direct line across to the starting point 4 miles below Berthold. The Indians desired that the reservation should extend to the Mouse River, but in view of a railroad passing over that country I did not accede to their wish. They seemed to comprehend my reason for not doing so and were satisfied. I have endeavored in this proposed reservation to give them land enough to cultivate and for hunting and grazing purposes. I inclose a sketch of the proposed reservation.

Very respectfully, sir,

S. A. WAINWRIGHT,

*Captain, Twenty-second Infantry, Commanding Post.*

DEPARTMENT OF THE INTERIOR,

OFFICE OF INDIAN AFFAIRS,

*Washington, D. C., April 2, 1870.*

SIR: I have the honor to transmit herewith a letter of Capt. S. A. Wainwright, Twenty-second United States Infantry, commanding post at Fort Stevenson, Dak., dated September 25 last, indorsed respectively by the commanding officer of the Department of Dakota and by the assistant adjutant general of the Military Division of

the Missouri, and forwarded by the Adjutant General of the United States Army to this office, relative to setting apart of a reservation for the Arickaree, Gros Ventre, and Mandan Indians.

This has been the subject of correspondence before between Maj. Gen. Winfield S. Hancock, commanding Department of Dakota, and this office.

General Hancock, in a letter dated near Fort Rice, Dak., July 21, 1869, addressed to Bvt. Maj. Gen. George L. Hartsuff, assistant adjutant general, Military Division of the Missouri (copy of which has been furnished by direction of Lieutenant General Sheridan to this office), states that the Arickaree, Grosventre, and Mandan Indians, among others, complain "that whites come on their land at Berthold and cut wood for sale to steamboats. They want this stopped. They are willing that boats should go and cut all they want, but do not want strangers to come and sell their wood while they are starving; they want to cut and sell it themselves."

General Hancock further states, in the letter above referred to, that he did not know whether those Indians had a reservation or not, and that he has instructed the commanding officer at Fort Stevenson to examine the country about Berthold and to recommend what portion should be set off for them.

By letter dated August 16 last General Hancock was informed by this office that by the treaty concluded at Fort Laramie October 17, 1851, which was not ratified but was amended by the Senate, and the stipulations as amended fulfilled by the Government, the following are given as the boundaries of a reservation for the Gros Ventres, Arickarees, and Mandans, viz: Commencing at the mouth of Heart River; thence up the Missouri to the mouth of the Yellowstone River; thence up the Yellowstone to the mouth of Powder River; thence southeast to the headwaters of the Little Missouri River; thence along the Black Hills to the head of Heart River, and down said river to the place of beginning.

A subsequent treaty was concluded with these Indians at Fort Berthold July 27, 1866. This makes no provision in regard to a reservation. The Indians, parties to the same, grant to the United States the right to lay out and construct roads, highways, and telegraphs throughout their country, and they cede to the United States "their right and title to the following lands situated on the northeast side of the Missouri River, to wit: Beginning on the Missouri River, at the mouth of Snake River, about 30 miles below Fort Berthold; thence up the Snake River in a northeast direction 25 miles; thence southwardly, parallel to the Missouri River, to a point opposite and 25 miles east of old Fort Clarke; thence west to a point on the Missouri River opposite the old Fort Clarke; thence up the Missouri River to the place of beginning."

This treaty has never been ratified, but appropriations have been made by Congress in accordance with its provisions. There are no treaty stipulations with these Indians relative to a reservation for them which have been ratified.

It is proper here to state that the reservation as proposed by Captain Wainwright is a part of the country belonging to the Arickaree, Gros Ventre, and Mandan Indians, according to the agreement of Fort Laramie, with the addition of a strip of land east of the

Missouri River from Fort Berthold Indian village to the mouth of Little Knife River, as shown by the inclosed diagram, and I therefore respectfully recommend that an order of the Executive may be invoked, directing the setting apart of a reservation for said Indians as proposed.

Very respectfully, your obedient servant,

E. S. PARKER, *Commissioner.*

Hon. J. D. COX,  
*Secretary of the Interior.*

## CHEYENNE AND ARAPAHO RESERVATION.

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
*June 19, 1869.*

SIR: I have the honor to acknowledge the receipt, by reference from the Secretary of the Interior, on the 10th instant, of a letter from Adj. Gen. E. D. Townsend, bearing date the 9th instant, inclosing a copy of a telegram dated Fort Leavenworth, Kans., June 8, 1869, from Maj. Gen. J. M. Schofield to Gen. W. T. Sherman, recommending that the reservation for the Arapaho Indians be changed from its present location to the North Fork of the Canadian River, and requesting a report thereon from this office.

By the terms of the treaty with the Cheyenne and Arapaho Tribes of Indians, proclaimed August 19, 1868, it is provided in the second article thereof that "the United States agrees that the following district of country, to wit: Commencing at the point where the Arkansas River crosses the thirty-seventh parallel of north latitude; thence west on said parallel—the said line being the southern boundary of the State of Kansas—to the Cimarron River (sometimes called the Red Fork of the Arkansas River); thence down said Cimarron River, in the middle of the main channel thereof, to the Arkansas River; thence up the Arkansas River, in the middle of the main channel thereof, to the place of beginning, shall be, and the same is hereby, set apart for the absolute and undisturbed use and occupation of the Indians herein named, and for such other friendly tribes or individual Indians as from time to time they may be willing, with the consent of the United States, to admit among them."

It will be seen from the language of the second article of said treaty, just quoted, that a reservation upon which they are now located has already been provided for said Indians within the boundaries in said article designated, but I am of opinion that it would be better for both the Indians and the Government if they were to be removed to the North Fork of the Canadian River, in accordance with the suggestions of General Schofield, provided any authority can be found for removing and locating said Indians in the manner contemplated.

Should you be of opinion that such authority exists, and determine in pursuance thereof to cause a removal of said Indians to be made from their present reservation, I would suggest that a tract of country be set aside for their occupation and use bounded as follows, viz: Commencing at the point where the Washita River crosses the ninety-eighth degree of west longitude; thence north on a line with said ninety-eighth degree to the point where it is crossed by the Red Fork

of the Arkansas (sometimes called the Cimarron River); thence up said river, in the middle of the main channel thereof, to the north boundary of the country ceded to the United States by the treaty of June 14, 1866, with the Creek Nation of Indians; thence west on said north boundary and the north boundary of the country ceded to the United States by the treaty of March 21, 1866, with the Seminole Indians, to the one hundredth degree of west longitude; thence south on the line of said one hundredth degree to the north boundary of the country set apart for the Kiowas and Comanches by the second article of the treaty concluded October 21, 1867, with said tribes; thence east along said boundary to the point where it strikes the Washita River; thence down said Washita River, in the middle of the main channel thereof, to the place of beginning.

The territory comprised within the boundaries last above designated contains a small portion of the country ceded to the United States by the terms of the treaty with the Creek Indians concluded June 14, 1866; a portion of the country ceded to the United States by the terms of the treaty with the Seminole Indians concluded March 21, 1866, and the remainder is composed of a portion of what is commonly known as the "leased country."

Inasmuch as this office has no information upon the subject, except that conveyed by the telegram of General Schofield, which is very meager and indefinite, I am unable to determine the causes which seem to require this change, and I would therefore respectfully suggest, unless there is some pressing necessity which will admit of no delay, whether it would not be well to refer the matter to the proper officers of this bureau for investigation and report before any action is taken.

The letter of Adjutant General Townsend, together with the copy of the telegram of General Schofield, is herewith returned.

Very respectfully, etc.,

E. S. PARKER, *Commissioner.*

Hon. W. T. OTTO,

*Acting Secretary of the Interior.*

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
*Washington, D. C., August 10, 1869.*

SIR: Referring to my report to you of the 19th of June last, relative to the change of location of the reservation for the Cheyenne and Arapaho Indians, I now have the honor to submit herewith copies of the following letters relative to this subject, viz:

Letter from Superintendent Hoag, dated the 31st ultimo, inclosing letter from Brevet Major General Hazen, dated 24th ultimo.

Letter from Superintendent Hoag, dated the 4th instant, inclosing letter from General Hazen, dated the 2d instant.

It appears from these letters that the Cheyennes and Arapahoes did not understand the location of the reservation as defined by the treaty of August 19, 1868: that they have never been upon said reserve, and do not desire to go there, but that they desire to locate on the North Fork of the Canadian, some 60 miles below Camp Sup-

ply; that the agent for these tribes has a large quantity of valuable stores in this locality, which are very much exposed.

Inasmuch as these Indians express a desire to be located upon a reserve, I think it very desirable that their wishes should be gratified, and that they be not permitted to again roam on the plains. I therefore respectfully recommend that the President be requested to authorize the location of these Indians on the North Fork of the Canadian River, where they desire to go, and that immediate steps be taken to provide temporarily for them there. The country desired by them is public land, and I think it competent for the President to direct their location thereon. In view, however, of the fact that these Indians have a reservation defined for them by treaty stipulation, legislation can be asked of Congress at the coming session to insure a permanent reservation for them where they may locate and abandon as a reservation the present one, restoring it to the public lands.

Very respectfully, your obedient servant,

E. S. PARKER, *Commissioner.*

Hon. J. D. Cox,  
*Secretary of the Interior.*

The recommendation of the Indian Commissioner approved.

WAR DEPARTMENT,  
*Washington City, January 16, 1883.*

SIR: I have the honor, upon the recommendation of the commanding general, Department of the Missouri, concurred in by the Lieutenant General and approved by the General of the Army, to request that the United States military reservation of Fort Supply, Indian Territory, originally declared by Executive order dated April 18, 1882, as announced in General Orders, No. 14, of May 10, 1882, from department headquarters, may be enlarged for the purpose of supplying the post with water and timber, by the addition of the following-described tracts of land adjacent thereto, viz:

It has been ascertained from the Interior Department that no objection will be interposed to the enlargement of the reservation in question as herein indicated.

The Commissioner of Indian Affairs, however, with the concurrence of the Secretary of the Interior, recommends that a proviso be inserted in the order making the proposed addition, so as to cover the entire reservation, "that whenever any portion of the land so set apart may be required by the Secretary of the Interior for Indian purposes, the same shall be abandoned by the military upon notice to that effect to the Secretary of War."

Whereas in the opening of the Kiowa, Comanche, Apache, and Wichita Indian lands in the Territory of Oklahoma, by proclamation dated July 4, 1901, pursuant to section 6 of the act of Congress approved June 6, 1900 (31 Stat., 672, 676), the north half of the northwest quarter and the southwest quarter of the northwest quarter of section 32 in township 2 north, of range 11 west of the Indian principal meridian, containing 120 acres, was reserved for the use of the Fort Sill Indian boarding school of Kiowa Agency; and

Whereas it appears that said land is no longer required for use by said school, and that it adjoins the city of Lawton, Oklahoma Territory, and the city authorities of said city desire to make entry thereof for park purposes under the act of Congress approved September 30, 1890 (26 Stat., 502);

Now, therefore, I, Theodore Roosevelt, President of the United States, by virtue of the power in me vested by section six of said act of Congress of June 6, 1900, do hereby declare and make known

that said land is hereby restored to the public domain, to be disposed of to said city for park purposes under said act of Congress approved September 30, 1890.

Articles of agreement made and concluded at Quapaw Agency, I. T., June 23, 1874, between the United States, by H. W. Jones, United States Indian agent, and the Eastern Shawnee Indians.

Whereas it is desirable that the Modoc Indians (now temporarily located on the Eastern Shawnee Reservation) should have a permanent home in order that they may be enabled to settle down and become self-supporting: Therefore, it is agreed—

### OSAGE RESERVATION.

DEPARTMENT OF THE INTERIOR,

*Washington, D. C., March 27, 1871.*

SIR: I have received your letters, bearing date respectively the 7th, 11th, and 15th instant, in relation to the settlement of the Great and Little Osage Indians upon a tract of land to be assigned them within the Cherokee country, the appraisement of such tract, as the parties in interest are unable to agree upon its value, the removal therefrom of all persons other than the Osages, and the valuation of such valuable improvements as may have been heretofore made thereon by Cherokee settlers, in order that they may be fully paid therefor.

I concur in your recommendation that there be assigned and set off to the Great and Little Osages a tract situate within the Cherokee country described as follows: Beginning at a point where the ninety-sixth meridian of longitude west from Greenwich intersects the southern boundary of Kansas; thence south along said meridian to the line separating the Cherokee country from the Creek country; thence westward on said line to a point so that a line running from such point parallel to said meridian to the said boundary of Kansas and with said boundary to the place of beginning will inclose an area containing 560,000 acres. \* \* \* In view of the ascertained inability of the Cherokees and Osages to agree upon the value of the

tract, you suggest that two or more members of the Board of Indian Commissioners be instructed to visit the Cherokee country, west of said meridian, with a view to determine the real nature and value of the tract and also of the remainder of the lands situate between it and the one-hundredth meridian of longitude, that being the western limit of that country.

Members of the board have already visited and reported upon the tract. It is the duty of the President under existing circumstances to fix its value. I shall forthwith present the subject for his consideration. When any portion of that country shall have been assigned to another tribe its value, in case the parties in interest can not agree, will then be determined by the President. Should it then become expedient in that contingency to direct members of the board to examine the remaining lands to which you refer, the requisite instructions can be issued. I do not deem it, however, necessary to anticipate that disagreement which under the treaty will authorize the action of the President in the matter.

I concur with you that the Cherokees and all other persons who are now living within the limits of the tract assigned to the Osages should be notified to remove therefrom, and that the value of the improvements made by the Cherokee settlers within that tract should be ascertained and paid.

Very respectfully, your obedient servant.

GROVER CLEVELAND.

**SILETZ RESERVATION.**

[Originally known as Coast Reservation.]

DEPARTMENT OF THE INTERIOR,  
*November 8, 1855.*

SIR: I herewith submit for your approval a proposed reservation for Indians on the coast of Oregon Territory, recommended by the Commissioner of Indian Affairs and submitted to the department by the Commissioner of the General Land Office, for the procurement of your order on the subject, in letter of the 10th September last.

Before submitting the matter to you I desired to have a more full report of the subject from the Indian Office, and the letter of the

head of that bureau of the 29th ultimo (report book 9, page 54), having been received and considered, I see no objection to the conditional reservation asked for, "subject to future curtailment, if found proper," or entire release thereof, should Congress not sanction the object rendering this withdrawal of the land from white settlement at this time advisable.

A plat marked A, and indicating the boundaries of the reservation, accompanies the papers, and has prepared thereon the necessary order for your signature, should you think fit to sanction the recommendation.

I have the honor to be, very respectfully, your obedient servant,

R. McCLELLAND, *Secretary.*

The PRESIDENT.

NOVEMBER 9, 1855.

The reservation of the land within denoted by blue-shaded lines is hereby made for the purposes indicated in letter of the Commissioner of the General Land Office of the 10th September last and letter of the Secretary of the Interior of the 8th November, 1855.

FRANK'N PIERCE.

---

DEPARTMENT OF THE INTERIOR,  
*Washington, D. C., December 20, 1865.*

SIR: Pursuant to a recommendation of the Secretary of the Interior of the 8th of November, 1855, the President of the United States, by an Executive order dated the 9th of that month, set apart conditionally the tract of country on the coast of Oregon, extending from Cape Lookout on the north to a point below Cape Perpetua on the south, as exhibited in blue on the accompanying map, for an Indian reservation.

It is represented by the Oregon delegation in Congress that this reservation is unnecessarily large, and that by reason of it access to the harbor of Aquina Bay by the numerous settlers in the fertile and productive valley of the Willamette is prevented. They ask for a curtailment of this reservation, so as to secure to the inhabitants of the Willamette Valley the much-needed access to the coast, and for this purpose propose that a small and rugged portion of the reservation in the vicinity of Aquina Bay, not occupied or desired by the Indians, shall be released and thrown open to occupation and use by the whites.

The Commissioner of Indian Affairs is of the opinion that the interests of the citizens of Oregon will be promoted by the opening of a port of entry at Aquina Bay, and that their interest is paramount in importance to that of the Indians located in that vicinity. Concurring in the views expressed by the Hon. Messrs. Nesmith, Williams, and Henderson, and the Commissioner of Indian Affairs, I respectfully recommend that an order be made by you releasing from reservation for Indian purposes and restoring to public use the portion of the said reservation bounded on the accompanying map by double red lines, and described in the communication of the Oregon delegation as follows, viz: Commencing at a point 2 miles south of the Siletz Agency; thence west to the Pacific Ocean; thence south along said ocean to the mouth of the Alsea River; thence up said

river to the eastern boundary of the reservation; thence north along said eastern boundary to a point due east of the place of beginning; thence west to the place of beginning.

I have the honor to be, very respectfully, your obedient servant,

JAS. HARLAN, *Secretary.*

The PRESIDENT.

EXECUTIVE MANSION, *December 21, 1865.*

The recommendation of the Secretary of the Interior is approved, and the tract of land within described will be released from reservation and thrown open to occupancy and use by the citizens as other public land.

ANDREW JOHNSON, *President.*

### UMATILLA RESERVATION.

Whereas by the act of March 3, 1885 (23 Stat., 340), entitled "An act providing for allotment of lands in severalty to the Indians residing upon the Umatilla Reservation, in the State of Oregon, and granting patents therefor, and for other purposes," it is provided that "before any allotments are made a commission of three disinterested persons, to be appointed by the President, shall go upon said reservation and ascertain as near as may be the number of Indians who will remain on said reservation and who shall be entitled to take lands in severalty thereon and the amount of land required to make the allotments; and thereupon said commission shall determine and set apart so much of said reservation as shall be necessary to supply agricultural lands for allotments in severalty, together with sufficient pasture and timber lands for their use, and six hundred and forty acres for an industrial farm and school, not exceeding one hundred and twenty thousand acres in the aggregate for all purposes; and the same shall be in as compact a form as possible. Said commission shall report to the Secretary of the Interior the number and classes of persons entitled to allotments, as near as they may be able to; the metes and bounds of the tract by them selected for said Indians, and designate the particular tract selected for an industrial farm and school; and if the same shall be approved by the Secretary of the Interior, the said tract shall thereafter constitute the reservation for said Indians, and within which the allotments herein provided for shall be made;" and

Whereas in pursuance of this provision of law a commission was appointed by the President on August 13, 1887, which commission proceeded under instructions to the said Umatilla Reservation, secured the consent of the Indians to the provisions of the law, took the required census of the Indians, and selected a tract for a diminished reservation containing in the aggregate 119,364 acres, of which, according to the census of the Indians on the reservation and the provisions of the law for making allotments, 74,800 acres were required for allotment to the Indians for agricultural purposes; and

Whereas upon surveying said lands it was found and reported that the diminished reservation so selected by the commission and reported to the department contained about 10,000 acres less of agri-

cultural lands than was required to make allotments to the Indians as provided in the law; whereupon it became necessary to appoint a second commission to readjust the boundaries for the diminished reservation, so as to bring within their limits a sufficient quantity of agricultural land to meet the requirements of the law, which second commission, appointed by the President on December 22, 1887, made its report, describing the metes and bounds of the tract of land selected and defined by it, which, upon examination of said report and the map accompanying it, was found to be a tract of land so irregular in its shape and outline as would make it difficult for the Indians living upon it and the white settlers occupying lands adjoining it on the outside to know certainly and exactly the location of the boundaries of the diminished reservation; and in said report it is stated by the commission that it was not able to include as much timber land as was thought to be necessary within the diminished reservation, without exceeding the limit of its area as fixed by the law, and that while the Indians are some better satisfied with the tract as selected and defined by it for the diminished reservation than they were with the tract selected and defined by the former commission, there remained considerable dissatisfaction because certain mountain and timber lands lying in the eastern part of the existing reservation were not included within the boundaries of the tract selected for the diminished reservation; and

Whereas in view of the facts as thus shown it was deemed necessary by the department to submit the matter to Congress and to request that the act of March 3, 1885, be so amended as to authorize and empower the Secretary of the Interior to select, prescribe, and define a tract of land for the diminished reservation which will contain a sufficient quantity of land to meet the needs and desires of the Indians, and be in such regular shape in outline as that its boundaries may be certainly known; and

Whereas it is provided in the eighth section of the act of October 17, 1888 (Public, No. 320), amending the act entitled "An act providing for allotment of lands in severalty to the Indians residing upon the Umatilla Reservation in the State of Oregon, and granting patents therefor, and for other purposes, approved March 3, 1885" (23 Stat., 341), that "the Secretary of the Interior shall set apart such further quantity of land of the existing Umatilla Reservation, in addition to the one hundred and twenty thousand acres thereof required by said act to be selected, designated, and reserved for the uses and purposes of said Indians, as therein provided, as shall enable him to fix, define, and establish the metes and bounds of said reserved tract in a satisfactory manner, and to include therein such portions as he may deem advisable of certain lands in the eastern part of the reservation which the Indians desire shall be reserved for them; and the said secretary is authorized by order to establish such diminished reservation accordingly; and in all other respects said act shall continue and remain in force."

Now, therefore, it is hereby ordered that so much of the existing Umatilla Indian Reservation in the State of Oregon as lies within the following-described metes and bounds is hereby declared to be, and is, established as the diminished reservation required by the act of March 3, 1885, as amended by the act of October 17, 1888, to be selected and set apart to constitute the reservation for the confed-

erated bands of Cayuse, Walla Walla, and Umatilla Indians for the purposes specified in the said act of March 3, 1885:

### SANTEE (SIOUX) RESERVATION.

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
*Washington, D. C., March 19, 1867.*

As special commissioner I have concluded a preliminary arrangement with the Santee Sioux now at the mouth of the Niobrara by which they consent to go into a reservation in the Territory of Dakota, and lying between the Big Sioux on the east and the James River on the west and between the forty-fourth and forty-fifth parallels of latitude. This reservation is selected with the approbation of the governor of the Territory and the Delegate in Congress, as also the surveyor general of the said Territory. I am informed that there are no white settlements within its limits, and no part of it has yet been surveyed by the United States.

I would therefore request that an order be issued by the President to withdraw from market the lands embraced within the limits of the said reservation, so as to keep the whites from attempting any settlement within it. This, I am informed, has been the practice in many similar cases.

As it is important that the Indians should be removed as soon as possible, I would request that this order be issued immediately.

I am, with great respect, your obedient servant,

LEWIS V. BOGY, *Special Commissioner.*

The SECRETARY OF THE INTERIOR,  
*Washington City.*

P. S.—I hand you a letter from General Tripp, surveyor general of Dakota, recommending the withdrawal of this land from market.

DEPARTMENT OF THE INTERIOR,  
*March 20, 1867.*

I respectfully lay before the President the proposition of Special Commissioner Bogy, as herein contained, and recommend that the lands described be withdrawn from market.

O. H. BROWNING, *Secretary.*

Let the lands be withdrawn as recommended.

ANDREW JOHNSON.

MARCH 20, 1867.

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
*Washington, D. C., July 6, 1869.*

SIR: I have the honor to transmit herewith a letter from the Commissioner of the General Land Office, dated the 2d ultimo,

asking information relative to the Santee Sioux Indian Reservation, situated between the Big Sioux and James Rivers, and between the forty-fourth and forty-fifth parallels of north latitude, in Dakota Territory, and suggesting that if those lands are no longer occupied by Indians, necessary steps should be taken to restore them to the public domain.

This office has informally obtained from the General Land Office the inclosed copy of a letter and indorsements, by which it appears that Lewis V. Bogy, as a special commissioner, selected the above-described reservation, and that upon the recommendation of Hon. O. H. Browning, then Secretary of the Interior, the said lands were withdrawn from market by order of the President, dated March 20, 1867.

The Santee Sioux Indians have never occupied this reservation. They have a reservation on the Niobrara River, in Nebraska, where I deem it proper they should remain. It is not practicable for them to be located upon the reserve above described.

I therefore respectfully recommend that the order of the President withdrawing the above-described lands from market may be rescinded.

Please return the accompanying papers.

Very respectfully, your obedient servant,

E. S. PARKER, *Commissioner.*

Hon. J. D. Cox,  
*Secretary of the Interior.*

DEPARTMENT OF THE INTERIOR, *July 10, 1869.*

The proposition of the Commissioner of Indian Affairs is approved, and I respectfully recommend that the lands withheld be restored to market.

J. D. Cox, *Secretary.*

EXECUTIVE MANSION, *July 13, 1869.*

I hereby rescind the Executive order of March 20, 1867, referred to, and direct the restoration of the lands withheld to market.

### UINTAH VALLEY RESERVATION.

DEPARTMENT OF THE INTERIOR,  
Washington, October 3, 1861.

SIR: I have the honor herewith to submit for your consideration the recommendation of the Acting Commissioner of Indian Affairs, that the Uintah Valley, in the Territory of Utah, be set apart and reserved for the use and occupancy of Indian tribes.

In the absence of an authorized survey (the valley and surrounding country being as yet unoccupied by settlements of our citizens), I respectfully recommend that you order the entire valley of the Uintah River within Utah Territory, extending on both sides of said river to the crest of the first range of contiguous mountains on each side, to be reserved to the United States and set apart as an Indian reservation.

Very respectfully, your obedient servant,

CALEB B. SMITH, *Secretary*.

The PRESIDENT.

EXECUTIVE OFFICE, October 3, 1861.

Let the reservation be established, as recommended by the Secretary of the Interior.

A. LINCOLN.

(See acts of Congress approved May 5, 1864, 13 Stats., 63; June 18, 1878, 20 Stats., 165; and May 24, 1888, 25 Stats., 157.)

DEPARTMENT OF THE INTERIOR,  
Washington, July 18, 1905.

The PRESIDENT:

I have the honor to transmit herewith a copy of a report from the Acting Commissioner of Indian Affairs, dated the 17th instant, upon a telegram from Chief Engineer Code, dated the 15th, regarding the discovery of an application in the engineer's office for the State of Utah, filed by J. H. Mease, Vernal, Utah, for 250 second-feet of water from Rock Creek, on the Uintah Indian Reservation.

As it is stated that the said application antedates those filed in behalf of the Indians, it seems to be necessary to take advantage of the provision of the act of March 3, 1905 (33 Stats., 1048), which empowers the President to—

set apart and reserve any reservoir site or other lands necessary to conserve and protect the water supply for the Indians and for general agricultural development.

In view of the facts, and complying with the recommendation of the Indian Office, I respectfully request that the lands described below may be reserved, under the provision of law cited, for the purpose indicated, viz:

West half of east half, east half of west half, section 19, and west half of east half and east half of west half and lot numbered 1, section 18, and south-west quarter and west half of northwest quarter of section 7, all in township 2 south, range 5 west, Uintah special meridian; also west half of section 12, township 2 south, range 6 west of the Uintah special meridian.

Very respectfully,

THOS. RYAN, *Acting Secretary.*

THE WHITE HOUSE, July 20, 1905.

Approved:

T. ROOSEVELT.

THE WHITE HOUSE, February 5, 1906.

It is hereby ordered that block 77, in the town site of Randlett, Utah, as per plat approved by the Secretary of the Interior December 2, 1905, under the provisions of sections 2380 and 2381, Revised Statutes, located in section 7, township 3 south of range 2 east, U. S. M., be withdrawn from sale or other disposition and temporarily set apart to the Protestant Episcopal Church for missionary and cemetery purposes for the benefit of the Ute Indians so long as used therefor.

*Provided, however,* That when no longer so used by the said church it shall continue in a state of public reservation for church and cemetery purposes for the Ute Indians.

THEODORE ROOSEVELT.

### UNCOMPAHGRE (UTE) RESERVATION.

EXECUTIVE MANSION, January 5, 1882.

It is hereby ordered that the following tract of country, in the Territory of Utah, be, and the same is hereby, withheld from sale

and set apart as a reservation for the Uncompahgre Utes, viz: Beginning at the southeast corner of township 6 south, range 25 east, Salt Lake meridian; thence west to the southwest corner of township 6 south, range 24 east; thence north along the range line to the northwest corner of said township 6 south, range 24 east; thence west along the first standard parallel south of the Salt Lake base line to a point where said standard parallel will, when extended, intersect the eastern boundary of the Uintah Indian Reservation as established by C. L. Du Bois, United States deputy surveyor, under his contract dated August 30, 1875; thence along said boundary southeasterly to the Green River; thence down the west bank of Green River to the point where the southern boundary of the said Uintah Reservation, as surveyed by Du Bois, intersects said river; thence northwesterly with the southern boundary of said reservation to the point where the line between ranges 16 and 17 east of Salt Lake meridian will, when surveyed, intersect said southern boundary; thence south between said ranges 16 and 17 east, Salt Lake meridian, to the third standard parallel south; thence east along said third standard parallel to the eastern boundary of Utah Territory; thence north along said boundary to a point due east of the place of beginning; thence due west to the place of beginning.

## CHEHALIS RESERVATION.

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,

*May 17, 1864.*

SIR: I have the honor to submit for your direction in the premises, sundry communications and papers from Superintendent Hale in reference to a proposed reservation for the Chehalis Indians in Washington Territory.

The condition of these Indians has been the subject of correspondence between this office and the superintendent of Indian affairs in Washington Territory for several years. It will be seen by Superintendent Hale's letter of July 3, 1862, that the country claimed by these Indians is large, comprising some 1,500 square miles; that they have never been treated with, but that the Government has surveyed the greater part of it without their consent and in the face of their remonstrances, and the choicest portions of their lands have been occupied by the whites without any remuneration to them, and without their consent, or having relinquished their claim or right to it. They have been thus crowded out and excluded from the use of the lands claimed by them, and those which they have heretofore cultivated for their support. This has caused much dissatisfaction, and threatens serious trouble, and they manifest a determination not to be forced from what they claim as their own country. After various propositions made to them by Superintendent Hale, looking to their removal and joint occupation of other Indian reservations, to all which they strenuously objected, they expressed a willingness to relinquish all the lands hitherto claimed by them, provided they shall not be removed, and provided that a sufficient quantity of land shall be retained by them at the mouth of the Black River as a reservation.

The selection herein made in accordance with their wishes, and approved by Superintendent Hale, reduces the dimensions of their former claim to about six sections of land, with which they are satisfied, and which selection has been submitted to this office for its approval. There seems one drawback only to this selection, and that is one private land claim—that of D. Mounts—which it is proposed to purchase. The price asked is \$3,500, which he considers not unreasonable. (See his communication of March 30, 1863, and accompanying papers.)

There is remaining on hand of the appropriation for "intercourse with various Indian tribes having no treaties with the United States" the sum of \$3,980.12, a sufficient amount of which I have no doubt might appropriately be applied for the purpose indicated. (See U. S. Stat. L., vol. 12, p. 792.)

I am of the opinion that the proposition is a fair one for the Government, and as it is satisfactory to the Indians interested, I see no

objection to its approval by the department, especially so when it is considered that it will peaceably avert impending trouble.

As recommended in the letters herewith submitted, it will also be necessary, doubtless, to make some provision for them after they shall have been assured of the quiet and permanent possession of the proposed reservation for a future home. But this may subsequently receive the attention of the department. These Indians are represented to be in a very hopeful condition. They wish to abandon a roving life; to establish themselves in houses, and cultivate their lands; to educate their children, and live peaceably with all.

These papers are submitted for your information in considering the subject, and, if it shall commend itself to your judgment, for the approval of the proposed selection as a reservation for these Indians and the purchase of the private-land claim of D. Mounts thereon.

Very respectfully, your obedient servant,

WM. P. DOLE, *Commissioner.*

HON. J. P. USHER,  
*Secretary of the Interior.*

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
*Washington, D. C., January 25, 1894.*

SIR: On August 1, 1893, I received, by reference from the General Land Office, a letter dated July 17, 1893, from the register of the local land office at Waterville, Wash., stating that an Indian named Alfred appeared at his office on the date of the said letter with copy of an allotment numbered 20 in the name of Charles Iswald, an Indian, for lands near the Methow River in Okanogan County, said State; that Indian Alfred stated that Iswald had gone to the Colville Indian Reservation in Washington, abandoning his wife and three children, and had not returned, having been absent for the period of six years; that his wife desired to hold the land embraced within the said allotment, and asked to know if she could do so; that said Iswald remarried after going to the Colville Reservation.

The register adds in his said letter that some action should be taken in the premises to protect the interests of the abandoned wife and her children.

In connection with this matter I have the honor to state than on November 25, 1893, I directed Capt. J. W. Bubb, U. S. A., acting Indian agent of the Colville Agency, said State, to ascertain whether the said Indian Iswald had removed to his reservation and married a second time, and, if there, whether he intended to remain upon the reservation or return to his allotment referred to and care for his first wife and children.

The opinion was expressed in said office letter that it would be well for the agent to correspond with Mrs. Charles Iswald, then in occupancy of the said allotment, and ascertain from her all the facts in her possession in relation to the allotment, its abandonment by the allottee, and her desire to remain thereon and cultivate the same for the use and benefit of herself and children.

The agent was advised that the allotment referred to contained 640 acres and was made to Charles Iswald under the provisions of the Moses agreement, entered into July 7, 1883, and ratified by act of Congress approved July 4, 1884 (23 Stat., 79 and 80), and that the same, with other allotments surveyed for and made to Sar sarp kin and other Indians, was approved by the Acting Secretary of the Interior April 12, 1886.

It was suggested that if the said Charles Iswald intended to remain upon the Colville Reservation and make it his home in the future he should relinquish to the United States his allotment under the said agreement, and the agent was instructed, in the event that the said Indian had so determined, to obtain from him his voluntary

relinquishment of his said allotment in order that steps might be taken to allot the lands embraced therein to his wife and children.

The agent was further instructed to make a full report of his action in this matter and forward to this office for its consideration the relinquishment of the allotment mentioned, should the Indian execute same.

I am now in receipt of a communication dated January 7, 1894, from the said acting Indian agent, stating that he recently visited the vicinity of Lake Chelan, Washington, and made an effort to see Mrs. Charles Iswald, but that for some reason she failed to be at the place appointed for the meeting (Antoine's house); that he had previously informed her that he desired to confer with her about her husband's claim to the allotment above referred to; that she sent him word by Antoine, a relative, that she would be glad to have the claim for herself and child (only one child now living); that she had not lived on the land for some time and that there were no improvements of any kind on the same.

The said agent further states that he experienced considerable difficulty in finding Charles Iswald under that name; that he claims his correct name is Kis wal a kin; that at Lake Chelan, among Wapato John's people, Iswald is known by the name of Il le acke; that he judges that name would be the best to give his wife in assigning her the allotment, her church name being Rose Marie; that Charles Iswald, now known as Kis wal a kin, lives at present on the Colville Indian Reservation, near Moses Crossing of the Columbia River, with another woman, by whom he has three children; that he states that he does not want his allotment on the old Columbia Reservation, above referred to, and has no intention of ever going back there to live with his former wife, for reasons which the Indian deemed satisfactory to himself.

The agent inclosed the relinquishment of the said Charles Iswald of his allotment No. 20, containing 640 acres, on the Columbia River, in the vicinity of Lake Chelan, State of Washington, granted to him under the provisions of the Moses treaty and act of Congress above referred to, executing same on January 2, 1894, in the presence of John W. Bubb, acting Indian agent of the Colville Agency, and C. R. Bubb, and transferring thereby to the United States all his right, title, and interest in and to the lands embraced therein.

There is given on the sheet embracing the relinquishment a certificate executed by Robert Flett, interpreter, dated January 2, 1894, to the effect that he was present and witnessed the signing of the relinquishment by the said Charles Iswald, and that he clearly explained its nature to him, and is satisfied that he fully understood the same.

The said Moses agreement, entered into July 7, 1883, copy of which may be found by reference to page 70 of the Report of the Commissioner of Indian Affairs for the year ending 1883, provided that all Indians belonging to the band of Chief Moses, then living on the Columbia Reservation, in the State of Washington, not removing to the Colville Reservation within two years from the date of said agreement should be entitled to 640 acres, or 1 square mile of land, to each head of a family or male adult, in the possession and ownership of which they should be guaranteed and protected.

On May 1, 1886, the President issued an Executive order, which may be found on page 75 of Executive Orders relating to Indian Re-

serves, issued prior to April 1, 1890 (copy herewith), to the effect that the tracts of land in then Washington Territory (now State) surveyed for and allotted to Sar sarp kin and other Indians, in accordance with the provisions of the said act of July 4, 1884 (23 Stats., pp. 79 and 80), which allotments were approved by the Acting Secretary of the Interior April 12, 1886, be set apart for the exclusive use and occupation of said Indians.

The allotment referred to and relinquished by the said Charles Iswald is No. 20, which may also be found on page 79 of said Executive Order pamphlet.

The right and title which the said Indian allottee had in the lands described in said allotment No. 20 was that of possession, use, and occupation; and as he has relinquished whatever right and title he had in and to the land referred to, it would seem that the entire title thereto is vested now in the United States; and as he has abandoned his first wife and ceased to provide for her comfort and welfare, and as she desires to retain possession of and use and occupy the said allotment, it would seem that the same should be reserved to her and her child for that purpose.

As the lands embraced within said allotment are reserved by Executive order of date May 1, 1886, above mentioned, it would appear that proper action in the case would be to present the matter to the President for his approval of the reservation for the purpose indicated. This matter, however, is submitted to you for your determination.

I have prepared and inclose herewith a draft of an order reserving the lands referred to for the purpose indicated, which, if you deem Executive action necessary, may be forwarded to the President for his approval.

The papers in the case and copy of this report are herewith inclosed.

Very respectfully, your obedient servant,

D. M. BROWNING, *Commissioner*.

The SECRETARY OF THE INTERIOR.

[Inclósure.]

I, Charles Iswald (correct name Kis-wal-a-kin), do hereby relinquish to the United States all my right, title, and interest in and to the land contained under allotment No. 20 (containing 640 acres), on the Columbia River, in the vicinity of Lake Chelan, in the State of Washington, granted to me under the provisions of the "Moses treaty," entered into July 7, 1883, and ratified by act of Congress approved July 4, 1884.

Done at Colville Indian Agency, Wash., this 2d day of January, A. D. 1894.

CHARLES ISWALD (his x mark).

In the presence of—

JNO. W. BUBB, *Captain, U. S. A., Agent*.

C. R. BUBB.

I, Robert Flett, interpreter, hereby certify on honor that I was present and witnessed the signing of this instrument by the said Charles Iswald; that I fully explained its nature, and am satisfied he fully understands the same.

ROBERT FLETT, *Interpreter*.

Colville Agency, Wash., January 2, 1894.

DEPARTMENT OF THE INTERIOR,  
Washington, February 19, 1894.

The PRESIDENT:

By Executive order of May 1, 1886, the following lands in the Moses Reservation, Washington Territory, were set apart for the exclusive use and occupation of Charles Iswald, a member of said tribe:

"This claim lies about 2 miles in a northeasterly direction from Antoine's claim. It contains no timber, but is mostly fair grazing land, with about 100 acres susceptible of cultivation. No improvements. From pine tree on right bank of Columbia River, blazed on four sides, where rocky spur 200 feet high comes down to near bank, forming narrow pass, from which a blazed pine 36 inches in diameter bears north 177 links distant, run south 13 degrees west (variation 22 degrees east).

"102.25 chains, made stone monument for corner on hillside in view of main trail. Thence run south  $5\frac{3}{4}$  degrees west.

"78.00 chains, made stone monument for corner. Thence south  $\frac{1}{4}$  degree west.

"25.65 chains, made stone monument on bank of Columbia River for corner. Thence with said river to a point of beginning, containing 640 acres of land."

The accompanying letter from the Commissioner of Indian Affairs, dated 25th ultimo, and its inclosures, show that Charles Iswald (Kis wal a kin) abandoned his wife and child some six years ago and moved to the Colville Reservation, Washington, and is now living there with another woman, by whom he has three children, and that, on January 2, 1894, he relinquished his said allotment to the United States.

The wife has made application to the register of the land office at Waterville, Wash., to have the lands in question reserved for her and her child, and the commissioner is of the opinion that the same should be so reserved.

I have therefore the honor to recommend that the lands set apart by Executive order of May 1, 1886, for the exclusive use and occupation of Charles Iswald, and by him relinquished to the United States, be reserved for the exclusive use and occupation of Mrs. Charles Iswald, or Rose Marie, and her child, and that said authority be indorsed hereon.

I have the honor to be, very respectfully, your obedient servant,  
HOKE SMITH, *Secretary*.

### MUCKLESHOOT RESERVATION.

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
*January 19, 1857.*

SIR: The treaty negotiated on the 26th of December, 1854, with certain bands of Nisqually, Puyallup, and other Indians of Puget Sound, Washington Territory (article 2), provided for the establishment of reservations for the colonization of the Indians, as follows: 1st. The small island called Klah-chemin. 2d. A square tract containing two sections near the mouth of the She-nah-nam Creek. 3d. Two sections on the south side of Commencement Bay.

The sixth article of the treaty gives the President authority to remove the Indians from those locations to other suitable places within Washington Territory, or to consolidate them with friendly bands.

So far as this office is advised, a permanent settlement of the Indians has not yet been effected under the treaty. Governor Stevens

has formed the opinion that the locations named in the first article of the treaty were not altogether suitable for the purpose of establishing Indian colonies. One objection was that they were not sufficiently extensive. He reported that 750 Indians had been collected from the various bands for settlement.

I have the honor now to submit for your consideration and action of the President, should you deem it necessary and proper, a report recently received from Governor Stevens, dated December 5, 1856, with the reports and maps therewith, and as therein stated, from which it will be observed that he has arranged a plan of colonization which involves the assignment of a much greater quantity of land to the Indians, under the sixth article of the treaty, than was named in the first article. He proposes the enlargement of the Puyallup Reserve at the south end of Commencement Bay to accommodate 500 Indians; the change in the location and the enlargement of the Nisqually Reserve, and the establishment of a new location, Muckleshoot Prairie, where there is a military station that is about to be abandoned.

The quantity of land he proposes to assign is not, in my opinion, too great for the settlement of the number of Indians he reports for colonization; and as the governor recommends the approval of these locations, and reports that the Indians assent thereto, I would respectfully suggest that they be approved by the President; my opinion being that, should it be found practicable hereafter to consolidate the bands for whom these reserves are intended, or to unite other bands of Indians on the same reserves, the authority to effect such objects will still remain with the President under the sixth article of the treaty.

Within the Puyallup Reserve there have been private locations, and the value of the claims and improvements has been appraised by a board appointed for that purpose at an aggregate of \$4,917.

In the same connection I submit the governor's report of August 28, 1856, which he refers to, premising that the proceedings of his conference with the Indians therein mentioned were not received here with the report.

### OSETTE RESERVATION.

EXECUTIVE MANSION, *April 12, 1893.*

It is hereby ordered that the following-described lands, situated and lying in the State of Washington, viz, commencing at Point Apot-Sloes (Indian name), on the ocean beach about one-half a mile north of the Indian village Osette in Clallam County, said State; thence due east 1 mile; thence due south to the point of intersection with the southern boundary line of the said Indian village extended eastward, and the northern boundary line of Charley Weberhard's claim; thence due west to the Pacific Ocean; thence with the Pacific Ocean to the point of beginning, be, and the same are hereby, withdrawn from sale and settlement and set apart as a reservation for the Osette Indians not now residing upon any Indian reservation: *Provided, however,* That any tract or tracts, if any, the title to which has passed out of the United States, or to which valid legal rights have attached under existing laws of the United States providing for the disposition of the public domain, are hereby excepted and excluded from the reservation hereby created.

## PORT MADISON RESERVATION.

OFFICE SUPERINTENDENT OF INDIAN AFFAIRS,  
*Olympia, Wash., July 13, 1864.*

SIR: In the absence of the superintendent of Indian affairs, who is now at Fort Colville, or in that neighborhood, in the discharge of his official duty, at the request of Hon. A. A. Deny, register of the land office in this place, I would respectfully call your attention to the condition of the Indian reservation near Port Madison, concerning the enlargement of which the superintendent addressed you about a year ago, forwarding at the same time a plat of the proposed reserve.

By reference to the treaty of Point Elliott, made with the Dwamish and other allied tribes of Indians January 22, 1855, it will be seen that article 2 provides for them a reservation at this point. This was soon found to be too limited, and whilst Governor Stevens was yet superintendent of Indian affairs the Indians were promised an enlargement. That promise seems to have been renewed subsequently, but nothing definite agreed upon.

Last July Seattle, the principal chief of the Seattle Band, with a number of subchiefs and others directly interested, visited the superintendency upon this subject. At their request a thorough examination was had, the result of which was in favor of submitting their request to you and recommending that it be granted. By reference to report of Agent Howe, which accompanies the last annual report of the superintendent for the year ending June 30, 1863, it will be seen that he is well satisfied of the absolute necessity of its enlargement.

The accompanying plat shows what is proposed to be reserved, which is satisfactory to the Indians. As there were no instructions from the Commissioner of the General Land Office, these lands could not be reserved, but were necessarily offered for sale. There being no bidders, the lands are still vacant.

Immediately after the public sale the superintendent gave notice of the intention of the department to retain these lands for the Indian reservation, and the public have so far acquiesced as not to disturb these proposed boundaries. Still, as the lands were offered at public sale under the proclamation of the President, they are now, agreeably to law, subject to private entry. Should, therefore, application be made to the register for the entry of any of these lands, he would, as matters now stand, be powerless to prevent it.

The register has just addressed the Commissioner of the General Land Office on this subject. Hence the reason of my addressing you without awaiting the return of the superintendent, who may be absent for a month, and respectfully asking that such steps may at once be taken as to prevent any lands within the proposed boundaries being sold by the register until he be further advised.

Very respectfully, your obedient servant,

GEO. F. WHITWORTH, *Chief Clerk.*

HON. WM. P. DOLE,

*Commissioner of Indian Affairs, Washington.*

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
*September 12, 1864.*

SIR: I have the honor to inclose herewith for your consideration a letter from C. H. Hale, late superintendent of Indian affairs for Washington Territory, by his clerk, calling attention to the necessity of immediate action in order to secure certain lands to the Indians therein mentioned, near Port Madison, for an enlargement of their reservation.

It appears from the report of Agent Howe, made to this office last year, that the proposed enlargement of the reservation is deemed to be advisable, and I have to request that you will direct that the tracts of land described in the plat inclosed in the letter of Mr. Whitworth may be reserved from sale, so that they may be set apart for the Indians for whom they are intended.

Very respectfully, your obedient servant,

### PUYALLUP RESERVATION.

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
*January 19, 1857.*

SIR: The treaty negotiated on the 29th of December, 1854, with certain bands of Nisqually, Puyallup, and other Indians of Pugets Sound, Washington Territory (article 2), provided for the establishment of reservations for the colonization of Indians, as follows: 1st. The small island called Klah-chemin. 2d. A square tract containing two sections near the mouth of the She-nah-nam Creek. 3d. Two sections on the south side of Commencement Bay.

The sixth article of the treaty gives the President authority to

remove the Indians from those locations to other suitable places within Washington Territory or to consolidate them with friendly bands.

So far as this office is advised a permanent settlement of the Indians has not yet been effected under the treaty. Governor Stevens has formed the opinion that the locations named in the first article of the treaty were not altogether suitable for the purpose of establishing Indian colonies. One objection was that they are not sufficiently extensive. He reported that 750 Indians had been collected from the various bands for settlement.

I have the honor now to submit for your consideration and action of the President, should you deem it necessary and proper, a report recently received from Governor Stevens, dated December 5, 1856, with the reports and maps therewith, and as therein stated, from which it will be observed that he has arranged a plan of colonization which involves the assignment of a much greater quantity of land to the Indians, under the sixth article of the treaty, than was named in the first article. He proposes the enlargement of the Puyallup Reserve at the south end of Commencement Bay to accommodate 500 Indians, the change in the location and the enlargement of the Nisqually Reserve, and the establishment of a new location, Muckleshoot Prairie, where there is a military station that is about to be abandoned.

The quantity of land he proposes to assign is not, in my opinion, too great for the settlement of the number of Indians he reports for colonization; and as the governor recommends the approval of these locations and reports that the Indians assent thereto. I would respectfully suggest that they be approved by the President, my opinion being that, should it be found practicable hereafter to consolidate the bands for whom these reserves are intended, or to unite other bands of Indians on the same reserves, the authority to effect such objects will still remain with the President under the sixth article of the treaty.

Within the Puyallup Reserve there have been private locations, and the value of the claims and improvements has been appraised by a board appointed for that purpose at an aggregate of \$4,917.

In the same connection I submit the governor's report of August 28, 1856, which he refers to, premising that the proceedings of his conference with the Indians therein mentioned were not received here with the report.

DEPARTMENT OF THE INTERIOR,  
OFFICE INDIAN AFFAIRS,  
*August 26, 1873.*

SIR: By the second article of the treaty concluded with the Nisqually and other Indians December 26, 1854 (Stat. at Large, vol. 10, p. 1132), "a square tract containing two sections, or 1,280 acres, lying on the south side of Commencement Bay," was set apart as a reservation for said Indians, and is known as the Puyallup Reserve.

It appears from the records of this office that Governor Stevens, finding the Indians dissatisfied with the size and location of the reserve as indicated by said treaty, agreed, at a conference held with them August, 1856, to a readjustment of said reservation, the exterior boundaries of which were surveyed and established by his order. This was done prior to the extension of the lines of the public surveys over the surrounding and adjacent lands. A map of the survey was transmitted by Governor Stevens to this office, under date of December 5, 1856, giving a description of the courses and distances of said exterior boundaries of the reserve, as taken from the field notes of the survey on file in the office of superintendent Indian affairs, Washington Territory.

This reservation, as readjusted and indicated on said map, was set apart for these Indians by Executive order dated January 20, 1857. It was intended to have this reservation bounded on its western side by the waters of Commencement Bay, from the southeasterly extremity of said bay around northwardly to the northwest corner of the reservation of the southerly shore of Admiralty Inlet. The survey was thought to be made so as to give the Indians this frontage upon the bay, with free access to the waters thereof. More recent surveys, however, develop the fact that there is land along this shore, and outside the reservation, arising from an error of the surveyor in leaving the line of low-water mark along the shore of said bay and running a direct line to the place of beginning.

In a report dated March 20 last Superintendent Milroy calls attention to this inadvertence, and for the adjustment of the western boundary of said reservation, so that it may conform to the intentions of those agreeing to the same, as well as for the comfort and wants of the Indians, he recommends the following change, viz: Instead of the direct line to the place of beginning, to follow the shore line at low-water mark to the place of beginning.

Inasmuch as the lands proposed to be covered by this change are in part already covered by the grant to the Northern Pacific Railroad Company and by donation claims, I would respectfully recommend

that the President be requested to make an order setting apart for the use of these Indians an addition to said Puyallup Reservation as follows, viz: All that portion of section 34, township 21 north, range 3 east, in Washington Territory, not already included within the limits of the reservation. This would give them a mile of water frontage directly north of Puyallup River and free access to the waters of Commencement Bay at that point.

Very respectfully, your obedient servant,

H. R. CLUM, *Acting Commissioner.*

The Honorable SECRETARY OF THE INTERIOR.

DEPARTMENT OF THE INTERIOR,

**YAKAMA RESERVATION (FISHERY).**DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
*Washington, November 21, 1892.*

SIR: On the 19th of July last Jay Lynch, agent for the Yakama Indians, called attention to the tenth article of the treaty of June 9, 1855 (12 Stats., p. 954), which provides—

“That there is also reserved and set apart from the lands ceded by this treaty, for the use and benefit of the aforesaid confederated tribes and bands, a tract of land not exceeding in quantity one township of 6 miles square, situated at the forks of the Pisuouse or Wenatshapam River, and known as the ‘Wenatshapam fishery,’ which said res-

ervation shall be surveyed and marked out whenever the President may direct and be subject to the same provisions and restrictions as other Indian reservations"—

and asked whether or not said tract of land had ever been surveyed and definitely located and marked out as therein provided.

The records of this office failed to disclose any information of such a survey or even the location of said tract, and from inquiry made of the Yakama Indians through Agent Lynch respecting its status, it was evident that they had no knowledge of any action ever having been taken to definitely locate the said tract. Report was therefore made to the department on the 27th of August last of the facts herein stated, and a request was made that authority be given Agent Lynch to visit the locality of said "fishery," supposed to be some 75 to 100 miles distant from the agency, and to locate said tract of land by metes and bounds or by natural objects, taking care not to interfere with the vested rights of any settlers or other parties that might be located thereon.

This authority and request being granted on the 29th of August, Agent Lynch was instructed on the 8th of September to visit said fishery, reserved and set apart by said treaty for the use of said Indians, and to fix and determine, as best he could, the boundaries of said tract of land by metes and bounds or by natural objects, that it might be surveyed and marked out, under directions of the President, as the treaty stipulated, and to submit an estimate of the probable cost to have such tract of land as he might designate properly marked out and surveyed. Agent Lynch was furnished the latest edition of the map of Washington issued by the General Land Office for his guidance in determining the location.

On the 24th of October last he submitted his report under said instructions, giving a description of the tract and of its proposed boundaries, with a plat thereof, and a letter from the surveyor-general of Washington, who stated the rates of survey in that State, which are herewith submitted.

In this report he estimated the distance from the agency to the fishery to be 150 miles by the nearest route, and that Lake Wenatchee, as now called, was 50 miles from the mouth of the Wenatchee River, and that the lake was really only "a widening out" of the river for the space of 2 or 3 miles in the valley, which was surrounded by mountains. He reported that there are two large creeks flowing into the river just below the lake, which he was of the opinion were forks of the river referred to in the treaty and known as the "fishery," although the map sent represented the "forks of the river" as *above* the lake, which he states is incorrect.

The tract recommended by the agent as the land to be set apart is, I think, substantially the reservation provided for in the treaty, and is heavily timbered and in a mountain district and not agricultural in any sense of the word. This tract is only valuable, he states, for its timber and fishery privileges, and includes the lower end of the lake and both sides of the river for a distance of 10 miles below the lake, with the river as near the center thereof as practicable to make it so, and is described (the description given by the agent being somewhat different) as follows:

"Commencing at a point on the right bank or west shore of Lake Wenatchee,  $1\frac{1}{2}$  miles by the shore line from the right bank of the river Wenatchee, where it leaves (not enters) the lake; thence in a southwesterly direction to a point  $1\frac{1}{2}$  miles due southwest from the mouth of the river; thence southeastwardly, parallel to the general course of the river, 10 miles; thence in a northeasterly direction, and across said river 3 miles; thence in a northwesterly direction, parallel to the general course of the river to the lake; thence in a direct line across the lake to the place of beginning, provided the area does not exceed the quantity of 6 miles square, limited by the treaty."

Inasmuch as this provision of the treaty has remained unfulfilled over thirty-three years since the proclamation of the treaty, April 18, 1859, and the country is being rapidly settled, and the Great Northern Railroad is extending its system in that direction, I have the honor to recommend that the matter be laid before the President for direction to have the survey of the tract of land reserved and set apart by the tenth article of the Yakama treaty of June 9, 1855, made and marked out at the earliest practicable period, and that the Commissioner of the General Land Office be directed to instruct the surveyor-general of Washington to make said survey under the supervision of the Indian agent in accordance with the suggestions herein contained, and the expenses thereof be paid out of the appropriation for "survey of Indian reservations for 1893."

The surveyor general, in his letter to Agent Lynch, gives the rate for standard and meander lines not exceeding \$9 per mile; but for the survey of lands heavily timbered, mountainous, or covered with dense undergrowth there may be allowed, with the approval of the Secretary of the Interior, a rate not exceeding \$25 per linear mile. The agent in submitting his estimate fixes the rate at \$18 and the distance 30 miles, making the estimate of the cost in the aggregate \$540. I therefore recommend that in directing the surveyor general to make the survey the expense be limited to the sum of \$540, or so much thereof as may be necessary.

It is not intended that the description herein given shall be followed strictly in making the survey, but that it should be considered in connection with the language of the treaty. The surveyor general should be allowed, if necessary, to make such divergence from the outboundaries herein described as, in his judgment, the topography of the land may demand, provided that the lines surveyed and marked out when completed should embrace the whole of the land contemplated to be set apart by the treaty, and approximately near the area named therein.

Very respectfully, your obedient servant,

T. J. MORGAN, *Commissioner.*

HON. SECRETARY OF THE INTERIOR.

---

DEPARTMENT OF THE INTERIOR,  
Washington, November 26, 1892.

The PRESIDENT:

The treaty of June 9, 1855 (12 Stats., 954), provides for a reservation of a tract of land not exceeding in quantity one township of 6 miles square for the Yakama Indians in the then Territory of

Washington, to be known as the "Wenatshapam fishery," which "said reservation shall be surveyed and marked out whenever the President may direct, and be subject to the same provisions and restrictions as other Indian reservations."

The attention of the Indian Office was called to this provision in July last by the Yakama agent, and he was directed by the commissioner to visit the locality of the said "fishery," and to locate said tract by metes and bounds, taking care not to interfere with the vested rights of any settlers or other parties that might be located thereon.

On October 24 he submitted his report herewith, in which he gives a description of the lands to be surveyed and marked, and states that said lands are heavily timbered and in a mountain district, and only valuable for the timber and fishery privileges.

The Commissioner of Indian Affairs states that this country is being rapidly settled, and the Great Northern Railroad is extending its system in that direction, and recommends said lands be surveyed for the purpose named in said treaty.

Concurring in the recommendation of the commissioner, I have the honor to request that the Commissioner of the General Land Office be authorized to instruct the surveyor general of Washington to make said survey under the supervision of the Yakama agent, and in accordance with his suggestions, allowing him, however, to make such divergence from the outboundaries described in the commissioner's letter as in his judgment the topography of the land may demand, provided that the lines surveyed and marked out, when completed, shall embrace the whole of the land contemplated to be set apart by the treaty and approximately near the area named therein, and that your authority be indorsed hereon.

I have the honor to be,

Very respectfully, your obedient servant,

JOHN W. NOBLE, *Secretary.*

EXECUTIVE MANSION, *November 28, 1892.*

October 26, 1857.

SIR: I inclose herewith a diagram of Madeline Island, as the same is laid down in plats of townships 50 and 51 north, of range 2 west, fourth principal meridian, lately received at the General Land Office from the Surveyor General, in order that you may indicate thereon by legal subdivision the 200 acres of land reserved for the La Pointe Band and other Indians on the northern extremity of Madeline Island for a fishing ground, under the second clause of the treaty (second article) of September 30, 1854.

You will be particular to specify the quantity embraced in each legal subdivision selected, whether by lots or otherwise, to make up this quantity; and also to transmit a description of each tract to accompany the diagram. When so marked, you are requested to return the diagram and the required description to this office at as early a day as possible.

Very respectfully, your obedient servant,

J. W. DENVER, *Commissioner.*

A. M. FITCH, Esq.,  
*Indian Agent, Detroit, Mich.*

In respect to the above, I have the honor to report that I have visited Madeline Island and there held a council with the head chief of the La Pointe Band of Indians, Chay che que oh (Little Buffalo), who, in concert with others of his band, have selected the following-described land, to be used by them as a fishing ground under the second clause of the second article of the treaty of the 30th September, 1854, reference being had to the diagrams accompanying the report and to the minutes of the proceedings in council as certified by me.

*St. Paul, August 16, 1859.*

SIR: I herewith inclose the accompanying report of Agent Drew, upon the instructions of J. W. Denver, Commissioner of Indian Affairs, to Agent Fitch, dated October 26, 1857, in regard to the selection of the 200 acres reserved for the La Pointe Bands for a fishing ground on Madeline Island, together with a diagram and a schedule, signed by the chiefs and headmen, of the lots selected by them.

Respectfully, your obedient servant,

#### LAC COURT OREILLES RESERVATION.

WASHINGTON, D. C., *February 17, 1873.*

SIR: I have the honor to inclose herewith, in accordance with your instructions dated December 18, 1872, a list of the lands selected as a permanent reservation for the Lac Court Oreille bands, Chippewas of Lake Superior, after consultation with the chiefs and headmen.

It is believed that the above-mentioned selection, while satisfactory to the Indians and fulfilling the spirit of the treaty under which it is made, fully secures the interests of the General Government, as well as those of the State of Wisconsin.

It is of the greatest importance that a survey of the exterior boundaries of the reservation be made at the earliest practicable period. The boundary marks of the first survey are generally indistinct, and, besides, do not conform to the boundaries as now proposed.

Persons may trespass with little danger of discovery or hindrance now, but would be prevented if the boundaries of the reservation were distinctly defined and marked so that the Indians themselves could understand them.

Very respectfully, your obedient servant,

S. N. CLARK,  
*United States Indian Agent.*

HON. H. R. CLUM,  
*Acting Commissioner of Indian Affairs, Washington, D. C.*

I now respectfully recommend that the remainder of lands withdrawn from market by orders from the General Land Office of November 22, 1859, and April 4, 1865, from which to select a permanent reservation for said Indians, be restored to market.

Very respectfully, your obedient servant,

H. R. CLUM, *Acting Commissioner.*

The Hon. SECRETARY OF THE INTERIOR.

DEPARTMENT OF THE INTERIOR, *March 1, 1873.*

SIR: I transmit herewith copy of a letter from the Acting Commissioner of Indian Affairs, dated the 24th ultimo, submitting selections of land for a permanent reservation for the Lac Court Oreilles Bands of Chippewa Indians of Lake Superior, amounting in the aggregate to 69,136.41 acres.

The recommendation of the acting commissioner that the remainder of lands withdrawn from market by orders from the General Land Office of November 22, 1859, and April 4, 1865, from which

to select a permanent reservation for said Indians, be restored to market, is hereby approved, and you will be pleased to carry the same into effect.

Very respectfully, your obedient servant,

C. DELANO, *Secretary.*

The COMMISSIONER OF THE GENERAL LAND OFFICE.

SIR: I inclose herewith Agent L. E. Webb's report from the surveyors of the Lac du Flambeau and Lac Court Oreille Reservations, together with maps, plats, and field notes of the same.

OFFICE OF THE LAKE SUPERIOR INDIAN AGENCY,

*Bayfield, Wis., May 1, 1863.*

SIR: I have to request that you proceed as soon as possible to Lac du Flambeau and make surveys of an Indian reservation, as per article 1 of treaty of September 30, 1854.

You will consult with the Indians and as far as practicable carry out their wishes in the selection of the land. I do not deem it necessary to do anything more than run the exterior lines, and you will mark them thoroughly, so that the Indians can understand the limits of the reservation.

\* \* \* \* \*

Very respectfully, your obedient servant,

L. E. WEBB, *Indian Agent.*

A. C. STUNTZ, Esq.,

*Surveyor, Bayfield, Wis.*

We, the chiefs of Lac du Flambeaux Bands of Chippewa Indians, in council assembled, hereby agree to concentrate our Indians to a reservation the boundaries whereof to be defined and marked by actual survey as pointed out to us this day by A. C. Stuntz, surveyor, through our interpreter, William W. Johnson, whenever the agent of Chippewa Indians of Lake Superior requires it.

We also petition said Indian agent, our father, and through him our Great Father, the President, that the above-named surveyor be allowed to select for us lands joining our reservation to make up the full amount covered by lakes that may come within the boundaries whenever subdivided so as to ascertain the same. We also ask that there may be added to our reservation certain sugar free lands to be

selected so that each family living on the reservation can have their sugar works within the boundaries of the reservation which will not be embraced in the present reservation.

This to accompany the respects of the said surveyor.

Signed this 26th day of May, 1863.

AH MOOSE (his x mark).  
 ASH KAN BAH WISH (his x mark).  
 KE WISH TE NO (his x mark).

A. C. STUNTZ, *Surveyor*.

WILLIAM W. JOHNSON,

DEPARTMENT OF THE INTERIOR,  
 OFFICE OF INDIAN AFFAIRS,

*June 22, 1866.*

SIR: Provision is made in the third section of the second article of the treaty of September 30, 1854, with the Chippewa Indians of Lake Superior and the Mississippi for setting apart and withholding from sale a tract of land lying about Lac du Flambeau "equal in extent to three townships, the boundaries of which shall be hereafter agreed upon or fixed by the President." (U. S. Stat., vol. 10, p. 1109.)

As the lands adjoining this lake are about to be offered at public sale, it is important that immediate action should be taken in withdrawing from sale lands necessary for this reservation. The following-described lands were included within a survey made to define the boundaries of this reservation in June, 1863, by A. C. Stuntz, surveyor, under the direction of the Superintendent of Indian Affairs.

viz:

Sections 5 and 6, township 39 north, range 6 east;

Sections 5, 6, 7, 8, 17, 18, 19, 20, 29, 30, 31, and 32, township 40 north, range 6 east;

Sections 5, 6, 7, 8, 17, 18, 19, 20, 29, 30, 31, and 32, township 41 north, range 6 east;

All of township 41 north, range 5 east;

Sections 1, 2, 3, 4, 9, 10, 11, 12, 13, 14, 15, 16, 21, 22, 23, 24, 25, 26, 27, 28, 33, 34, 35, and 36, township 41 north, range 4 east;

Sections 1, 2, 11, 12, 13, and 14, township 40 north, range 4 east;

Sections 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, and 18, township 40 north, range 5 east;

the area of the same being 55,630.26 acres.

As this is a less amount of land than is provided for in the treaty for said reservation, I would respectfully recommend that in addition to the foregoing there be reserved from sale, until such time as the boundaries of the reservation are fully defined, the following-described lands which are contiguous to those included in the survey above stated, viz:

Sections 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, and 36, township 40 north, range 5 east.

Sections 3, 10, 15, 22, 23, 24, 25, 26, 27, 34, 35, and 36, township 40 north, range 4 east.

Very respectfully, your obedient servant,

D. N. COOLEY, *Commissioner.*

HON. JAS. HARLAN,

*Secretary of the Interior.*

DEPARTMENT OF THE INTERIOR,

*Washington, D. C., June 26, 1866.*

SIR: By the third section of the second article of the treaty, September 30, 1854, with the Chippewa Indians of Lake Superior and the Mississippi, provision is made for setting apart and withholding from sale "a tract of land lying about Lac du Flambeau" \* \* \* "equal in extent to three townships, the boundaries of which shall be hereafter agreed upon or fixed by the President." (Stats. L., vol. 10, p. 1109.)

As the lands in the vicinity of this lake are about to be offered at public sale, you are instructed to withdraw and withhold from sale the lands described in the accompanying copy of a communication from the Commissioner of Indian Affairs of the 22d instant, until such time as the boundaries of the reservation contemplated by the treaty are fully defined.

In acknowledging the receipt of this letter you will report your action under these instructions.

Very respectfully, your obedient servant,

W. T. OTTO, *Acting Secretary.*

HON. J. M. EDMUNDS,

**RED CLIFF RESERVATION.**

GENERAL LAND OFFICE, *September 6, 1855.*

SIR: Inclosed I have the honor to submit an abstract from the Acting Commissioner of Indian Affairs' letter of the 5th instant, requesting the withdrawal of certain lands for the Chippewa Indians

in Wisconsin, under the treaty of September 30, 1854, referred by the department to this office on the 5th instant, with orders to take immediate steps for the withdrawal of the lands from sale.

In obedience to the above order, I herewith inclose a map, marked A, showing by the blue shades thereon the townships and parts of townships desiring to be reserved, no portion of which are yet in market, to wit: Township 51 north, of range 3 west, fourth principal meridian, Wisconsin; northeast quarter of township 51 north, of range 4 west, fourth principal meridian, Wisconsin; township 52 north, of ranges 3 and 4 west, fourth principal meridian, Wisconsin. For the preservation of which, until the contemplated selections under the sixth clause of the Chippewa treaty of 30th September, 1854, can be made, I respectfully recommend that the order of the President may be obtained.

The requisite reports on the subject of the new surveys, and respecting preemption claims, referred to in the same order, will be prepared and communicated at an early day.

I am, respectfully, your obedient servant,

THOMAS A. HENDRICKS,  
*Commissioner.*

HON. R. McCLELLAND,  
*Secretary of the Interior.*

DEPARTMENT OF THE INTERIOR, *February 20, 1856.*

This plat represents by the blue shade certain land to be withdrawn with a view to a reservation under Chippewa treaty of 30th September, 1854, and as more particularly described in Commissioner of the General Land Office's letter of 6th September, 1855. The subject was referred to the President for his sanction of the recommendation made in Secretary's letter of 8th September, 1855, and the original papers can not now be found. This plat is a duplicate of the original received in letter of Commissioner of the General Land Office of this date, and is recommended to the President for his sanction of the withdrawal desired.

R. McCLELLAND, *Secretary.*

Let the withdrawal be made as recommended.

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
*September 3, 1858.*

SIR: My attention has just been called to the subject of your communication of the 31st of May last, together with the papers inclosed therewith, pertaining to the selection of the four sections of land reserved for that subdivision of the La Pointe band, of which Buffalo was chief, under the sixth clause of the second article of the Chippewa treaty of September 30, 1854.

This matter formed the subject of a communication from this office to the Secretary of the Interior on the 5th of September, 1855, a

copy of which is herewith inclosed, in which it was recommended that the necessary means should be taken to cause township 51 north, range 3 west, the northeast quarter of township 51 north, range 4 west, and township 52 north, ranges 3 and 4 west, to be reserved from sale until the selections were made, under the provisions of the aforesaid treaty, for the bands of Indians of which Buffalo was then chief.

Agreeably to the suggestions of this bureau, your office was directed by the Secretary of the Interior some time in the month of September, 1855, to adopt appropriate steps to have said tracts reserved from preemption and sale until the selections for the Indians had been made.

I find by an examination of a letter from Col. G. W. Manypenny, dated at La Pointe, Wis., August 24, 1855, that he (by mistake) designated the northeast quarter of township 51 north, of range 4 west, to be withheld from sale, whereas it should have been the southeast quarter of the same township and range; and I have now to request that you will direct the register and receiver of the proper local land office to withhold from preemption or sale sections 25 and 36 in the southeast quarter of the aforesaid township, the same being a portion of the lands selected by the Chief Ge-gi-qui-on, and that said sections should be respected upon the records of their office.

In view of these facts, I am of the opinion that no preemption claims presented subsequent to the selection of the land for Indian purposes in 1855 should be admitted to the prejudice of the rights of the Indians under the treaty.

The treaty evidently contemplated the selection of the land on or near the lake shore, and therefore it is not deemed requisite that the location should embrace four full sections, as such a construction, in view of the meanders of the lake, would prevent the location at that point; and as the legal subdivisions selected by Ge-gi-qui-on are in as compact a form as practicable, although the aggregate exceeds by 32.61 acres the area of four full sections of 1 square mile each, yet as the selections conform to the requirements of the treaty as nearly as possible, I hereby approve the location of the following tracts, and have to request that the same may be respected upon the books of your office, and that the proper local land office be notified of the same, to wit:

In township 51, range 3 west of the fourth meridian—

Subsequently, by letter of September 11, 1863, the General Land Office advised said local officers at Bayfield, Wis., that the islands in the above-named sections and townships were excluded from the operations of said order of withdrawal.

The plats in the General Land Office show the following lots and parcels of land to have been withheld from sale in consequence of said order:

Sections 1, 2, 3, and 4, township 51, range 5 west.

Sections 34, 35, and 36, township 52, range 5 west.

### WIND RIVER OR SHOSHONE RESERVATION.

[Fort Washakie Military Reserve.]

WAR DEPARTMENT,  
*Washington City, May 18, 1887.*

SIR: Upon recommendation of the Lieutenant General commanding the Army I have the honor to request that the following-described tract of land in the Territory of Wyoming, embraced within the limits of the Wind River or Shoshone Indian Reservation, created by treaties of July 3, 1868, and June 22, 1874, may be duly declared and set apart by the Executive as a military reservation for the post of Fort Washakie, viz:

Commencing at a point 58.5 chains south  $20^{\circ}$  east of the flagstaff of Fort Washakie, Wyo., and running thence east  $25^{\circ}$  north 185.5 chains; thence north  $30^{\circ}$  west 128.5 chains; thence west  $27^{\circ}$  south 228.5 chains; thence south  $14^{\circ}$  west 89 chains; thence east  $2^{\circ} 30''$  north 49 chains; thence east  $10^{\circ}$  south 74 chains to the place of beginning. Area, 1,405 acres, more or less.

A tracing showing the proposed military reservation, as surveyed in January, 1887, by Lieut. E. E. Hardin, Seventh Infantry, is inclosed herewith.

The Acting Secretary of the Interior states that there is no objection on the part of that department to the use of the tract in question for military purposes (the selection of which is the result of a mutual agreement between the two departments), provided it be understood that the same be subject to such right, title, and interest as the Indians have to and in said land, which shall be vacated whenever the interest of the Indians require it. I have the honor to be, sir, with great respect,

Your obedient servant,

WM. C. ENDICOTT, *Secretary of War.*

The PRESIDENT.

The within request is approved, and the reservation is made and proclaimed accordingly, provided that the use and occupancy of the land in question be subject to such right, title, and interest as the Indians have in and to the same, and that it be vacated whenever the interest of the Indians shall require it, upon notice to that effect to the Secretary of War.

The Secretary of the Interior will cause the proper notation to be made in the General Land Office.

GROVER CLEVELAND.

O., May 26, 1887), as determined from the old corner monuments, except that Corner II has been moved so as to exclude the part of the reservation encroached upon in the construction of buildings pertaining to the Indian school, the reservation as made by said Executive order of May 21, 1887, is hereby modified, in accordance with said new survey, so as to include all lands, and those only, within metes and bounds described as follows:

Commencing at a point 3,861 feet S. 2° 30' E. of the flagstaff of Fort Washakie, Wyoming, and running thence N. 75° 30' E. 11,890 feet to Corner II; thence N. 26° 15' W. 7,060 feet to Corner III; thence S. 83° 15' W. 13,125 feet to Corner IV; thence S. 23° 00' W. 6,435 feet to Corner V; thence N. 87° 45' E. 3,234 feet to Corner VI; thence S. 61° 30' E. 4,450 feet to Corner I, the place of beginning. All bearings are true.

This modification is made subject to the proviso in said Executive order of May 21, 1887, that—

“The use and occupancy of the land in question be subject to such right, title, and interest as the Indians have in and to the same, and that it be vacated whenever the interest of the Indians shall require it, upon notice to that effect to the Secretary of War.”

Dear Sir:

I understand that your department published in 1912 a volume entitled "Executive Orders Relating to Indian Reservations from May 14, 1855 to July 1, 1912." Will you be good enough to inform me as to how we may obtain a copy for the library of the Museum of the American Indian, Heye Foundation, which is in our care.

Very truly yours,
